Girls Kill Large Black Snake

While Misses Sadie and Minnie Greiner and Daisy Keener were strolling through Henry G. Greiner's woods, in Rapho township, on Sunday afternoon they spied a large black snake among some underbrush. At first they were awfully frightened and had almost concluded to run. They, however, mustered up courage and after great difficulty were successful in killing the reptile. When stretched out it was found to measure sixty-eight inches in length. The girls felt quite relieved after the killing but were none the worse for their experience.

ANSWERS EVERY CALL

Mount Joy People Have Found That This is True.

A cold, a strain, a sudden wrench. A little cause may hurt the kidneys.

Spells of backache often follow. Or some irregularity of the urine. A certain remedy for such attacks. A medicine that answers every call is Doan's Kidney Pills, a true specific.

Many Mount Joy people rely on it. Here's Mount Joy proof.

Mrs. M. M. Frank, Main Street, Mount Joy, Pa., says: "I can recommend Doan's Kidney Pills just as highly today as I did in 1907. They cured me of kidney trouble at that time and I have had no return attacks. Hard work was probably the cause of this complaint in my case. My back ached a great deal and I was nervous. I tired easily, did not sleep well and had headaches. Hearing a great deal about Doan's Kidney Pills, I decided to give them a trial and procured a box at Garber's Drug Store. Their use brought prompt relief, in fact, I did not think any medicine could act so quickly. In a short time I was cured and today I am enjoying the best of health."

For sale by all dealers. Price 50 cents. Foster-Milburn & Co., Buffalo New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Who Makes the Most?

Newspapers, like boys, oft times get "slinging mud" and we have known occasions when bricks would have been more desirous. Of course men who live in glass houses should not throw stones and it is only too true. Last week we went wrong on a funeral but when the paper was issued the man had been buried a day and a half and no one was fooled. Our contemporary saw fit to knock and did so, forgetting at the time that he was making a gross error in the balance of the Mount Joy Base Ball Association. "As his office is within half a square of the secretary, this mistake is hardly excusable." Now, while we fooled no one, his error may have fooled a dozen or more people—or whatever his "list" may total.

Then again, up until three weeks ago his big headline, "Since the election the circulation of the Etc., Etc., and then some, is more than four times that of the other local paper." How he tried to fool people on that bluff but it wouldn't go and after being laughed at by persons who knew, dropped the scare head. That mistake was hardly excusable either as the desired information could be obtained without going out of his office. Now brother knock until your heart is content; we have said ours. joa 1 to no x., ngof gletterii lonn
