## The Universal Hardware Works

### AN EXCELLENT EXAMPLE OF GRIT AND HUSTLE IN THE FACE OF ADVERSITY

The Universal Hardware Works, One of Our Local Industries, in the Brief Period of Twenty-One Months, Produces an Excellent Line of Hardware Specialties and Formed Wire Products.

A little less than two years ago, the Universal Hardware Works, one of our local industries of which the public, to date, has had very little information, was incorporated. The company was organized by Mr. M. A. Rollman, formerly of the Rollman Manufacturing Company of this place for the purpose of manufacturing high grade hardware and formed wire products.

The company secured the building of Mr. Simon R. Snyder, located at the eastern borough limits, which is a very substantial four story stone building. It is ideal for manufacturing purposes and has good water power derived by harnessing the Little Chickies Creek. In addition the company has installed a large oil engine for reserve power. The building is conveniently located for shipping facilities.

In this short space of time the company equipped its plant with an exceedingly fine line of the most modern high-class machinery for the purpose of developing its various lines and brought out the following thus far: Steel frame freezers, made in ten sizes of from 1 to 20 quarts capacity and three styles, a total of thirty different freezers, New Standard food choppers made in six sizes and eight styles; New Standard Cherry Stoners, Asbestos Mats, Asbestos Toasters, Cold Handles of various designs and sizes, made of formed wire, extensively used on everything coming in contact with heat; Toy Freezer Banks, Toy Choppers, Bottle Openers, High Speed Washing Machines, etc., etc.

All the above articles were brought out and designed under the supervision of Mr. M. A. Rollman, in the brief period of twenty-one months. In this short time thousands of these articles have been marketed and that they are giving "universal" satisfaction is evidenced by the fact that the company is selling its production as fast as manufactured with the present facilities.

Steel Frame Freezers

One of the first articles manufactured was the Steel Frame Freezer under the patents of Mr. M. A. Rollman. This freezer upset all traditions in freezer construction of the past forty years. All freezers to date are constructed of heavy cast-iron parts with short and squatty cans. "Steel Frame," as the name indicates means that all parts formerly made in cast iron are now made of pressed steel built like a bridge.

### Snow Ball "Steel Frame" Freezer

The "Steel Frame" has three motions. The can revolves from right to left, the outer beater revolves from left to right, the two wood scrapers removing the frozen cream from the inner surface of the can, and throwing it to the centre.

The inner beater turns in an opposite direction to that of the outer beater, mixes the frozen cream from the sides with the unfrozen cream in the centre, and throws all back to the sides to be again frozen and removed by the scrapers.

The continuous action of the can and the two beaters moving in opposite directions, keeps the cream ever changing its position, and produces in about three minutes a very smooth well-beaten, velvety cream.

The "Steel Frame" has a Virginia White Cedar Pall, bound with Electric-Welded Wire Hoops, not stapled on, but imbedded in grooves in the staves—our patent. Will not break. Cannot fall off.

The New Model Narrow cans are made of best quality tin plate, double thickness at top, and secured by a strong wire, which gives them stiffness. The bottoms are made from a single piece of drawn steel, and will not break or leak.

The Double Quick Steel Frame is a two motion machine, the can working in one direction and the beater in the opposite, similar in action to the three motion.

The Frost King Steel Frame Freezer is a single motion machine in which the can revolves and the beater remains stationary. This complete line of freezers is being marketed by the Richmond Cedar Works, of Richmond, Va., the largest woodware works in the world.

### Food Choppers

The New Standard Food Choppers are made in six sizes and eight styles

This view of Chopper shows it opens like a book with feed screw or worm in position. It shows that this Chopper can be opened and cleaned in an instant. Quick cleaning features are a factor in the sale of kitchen utensils today. This view of the Chopper shows it opens like a book and cleaned like a bowl with feed screw or worm removed, giving a still more clearer view of the oblique angular construction with the ease of its cleaning. continued on page 6

## Our Card Basket

### THE WHEREABOUTS OF OUR FRIENDS THE PAST WEEK

Who and Where They Have Visited—Many Strangers Here Over Sunday—Were You Among Them?

Miss Grace MacNichol of Philadelphia is the guest of Miss Mary B. Stoll.

Mrs. M. A. Rollman and two children are spending a week in Philadelphia.

Mrs. Howard Nauman and two children spent last week with friends at Manheim.

Mr. and Mrs. Irvin Baker and son were guests of Howard Neidig's on Sunday.

Mrs. Irvin Baker and little son are spending a few days with her parents at Florinel.

Miss Mayme Kuhns left last Monday for Mechanicsburg to take charge of a school.

Mrs. Mary Garber Miller, returned home today after spending several weeks in Chicago, Ill.

Mr. and Mrs. Arthur Hershey spent Sunday with the family of Mr. John Erb near Kinderhook.

Mr. and Mrs. Reuben Miller of Lancaster Junction, spent Sunday here with Mr. Frank Baker's.

Mr. and Mrs. H. E. Ebersole and son Bernard spent last Wednesday at Pequea and McCall's Ferry.

Mr. Walter Greiner resumed his studies at Williamson School after a vacation here. He returned Monday.

Mr. H. S. Brubaker and son Benjamin F. Brubaker will leave this evening for Mansfield, Ohio, where they will attend the Brubaker reunion.

Dr. and Mrs. John J. Newpher attended the annual outing of the fourth censorial district of the State Medical Society at Pequea last Thursday.

Rev. Levi Shenk of this place, will officiate at the funeral of Miss Sallie Burkholder at Fleekinger's meeting house near Coacole, tomorrow forenoon.

Mr. and Mrs. John W. McGinnis of Hotel McGinnis, have gone to Philadelphia and Camden, N. J., where they expect to spend a week or ten days with friends.

Mr. and Mrs. William Helson of Altoona, stopped off here last week on their way home from Atlantic City to visit Mr. Helson's cousin, Mr. A. L. Haines on Columbia Avenue.

Mr. and Mrs. William Soost and two sons, William and Harry and Mr. John Halliwell, all of Pittsburg are visiting at the home of Mr. and Mrs. John Halliwell on Mt. Joy street.

Mrs. Susan Sample arrived home from a visit to her daughter Mrs. Wood at Bordentown, N. J. last evening where she spent a few days. Her grandson, Edward Sample Wood accompanied her to his home after spending two weeks here.

Rev. J. E. Deacon has returned from Virginia and occupied his pulpit last Sunday. His report about his son Warren is that he is steadily improving, having passed his seventeenth birthday last Saturday when his temperature was normal and he was permitted to have his first solid food.

Miss Wynne Cassell of this place, was taken very ill suddenly at the P. R. R. depot in Harrisburg last Tuesday. She was removed to the home of a friend where she recovered to such an extent that she was brought to her home here on Monday evening. At this writing she is improving.

### An Extensive Auto Trip

On Sunday Mr. Frank P. Schock, Mr. Arthur Schock, Miss Mary Schock and Mrs. H. C. Schock, left on an extensive automobile trip, their destination being Madison, Wisconsin the home of Mrs. Schock's daughter, Mrs. Jones. They expect to be gone about three weeks.

### A Handkerchief Surprise

Mrs. Albert Campbell was honored by a handkerchief surprise on Monday, it being her birthday. She was the recipient of a number of presents from her friends.

### Will Meet Tomorrow

The Ladies' Auxiliary of the General Hospital will meet at the home of Mrs. Dr. John J. Newpher Thursday afternoon at three o'clock. A full attendance is requested.

### Social at Donegal Springs

A social will be held in the grove at Donegal Springs, Saturday evening Sept. 3rd, by the Christian Endeavor Society.

### No Mistake

Compare our quality and our price and you'll decide were right. Getz Bros., Mt. Joy.

### Camp at Rheems

The M. E. camp meeting, which is being held at Rheems proved a big success. It is estimated that there were about 1500 people attended the meetings on Sunday. Camp will be held every evening this week and will continue over next Sunday, coming to a close on Sunday evening with an old time closing.

### Green Geese Scarce

There are only a few Green Geese in the world and there are only a few stores that sell you all wool clothes for ten dollars and up. Getz Bros., Mt. Joy, is the place.

### Shoes! Shoes!

For every one in the family at S. B. Bernhart & Co's.

## A BASE BALL TREAT

### Wrightsville on Saturday and a Double Header Monday

The management has arranged for three more good games of ball here to be played Saturday and Monday. On Saturday Wrightsville will be here. This is a team composed of the best players of the Eureka and the Inter-County League teams.

There were two teams at Wrightsville this summer but when the league season closed the two teams united and now they have a good one. A few weeks ago on Tuesday evening, Wrightsville shut the strong Columbia team out in a seven inning contest. Weller, who twirled for Columbia the evening we defeated them over there, will be on the mound and Wormley, of Marietta, who has been catching for Columbia, will do the catching.

Monday there will be something doing and this promises to be the treat of the season. The Monarchs and North Ends, of Lancaster, are playing a series for the Championship of the City. Each team won a game and now both teams had a scrap and will meet again this season. The management here has succeeded in securing these two teams to play here on Monday afternoon. The Monarchs will play the first game with the locals which will be called at 2 o'clock sharp. Sloat and Schweers are the pitchers and Lowell will catch.

Immediately after this game is over the locals will tackle the North Ends which game will be started about 3.30. Their battery will be Stevens and Yeager, pitchers and Schoenberger, catcher.

You can just imagine how these two teams will "break their necks" to put up a stiff article of ball as it is a foregone conclusion that the team making the best showing is the better of the two.

Neither of these two teams have played here this season and both are good ones. The North Ends beat Ephrata 10 to 4 and lost a game to New Holland 1 to 0.

There will be a good lineup to represent the home team and present indications are that the season will close here with Monday's games. The admission for both games will be 25 cents for gents, 15 cents for ladies and 10 cents for boys. Those arriving for the last game only will be charged the usual admission fee.

## ALMOST A WRECK

### Traction Engine and Train Have a Close Call East of Town

An eastbound pullman train and a traction engine came mighty near having a collision at Engle's road east of town on Monday afternoon and it was the good presence of mind of the engineer on the traction engine that prevented it.

An entire threshing and baling outfit was crossing the south track at the above mentioned place. The wood approach to the rails had been removed for repairs. The engine crossed the first rail but in the absence of the approach, the front wheels would not go over the second rail. A fast pullman train came along at a mile-a-minute clip with the traction immediately on the track.

The engineer on the traction reversed his engine and began backing. He broke the tongue of the separator but succeeded in getting his engine off the track as the train passed, there being barely a foot of space between the two engines. When the engineer of the train saw the object on the track he did all he could to stop his train but had the traction not gotten off the track there surely would have been a collision because the train only stopped as the last coach was passing the traction.

These approach rails had been removed for nearly a week, the work having been done by the Middletown work crew but when section foreman Mr. Frank Stoll saw how dangerous it was he immediately put his men to work and had the approaches replaced that same evening.

## Now, That's Better

The trouble in the west end of town resulting from no entrances to the ground opposite the trolley tracks which was purchased by Mr. John S. Nissley, has now been adjusted. The citizens there requested the borough to open a street entrance to the ground but council refused to do so out of their power. The trolley company was kind enough to lay a crossing across its tracks and now the residents have easy access to the rear of their properties.

## Two More Autos

Two more automobiles are owned by residents of our town since last week. Dr. Thome exchanged his Flanders tour-about on a Flanders roadster of 20-horse-power, on Monday. She's a beauty.

Mr. Joseph Hostetter purchased a fine new 30-horse-power Flanders touring car of Samuel Landis of Lancaster on Saturday.

## A New Stable

Mr. Reuben Nissley, who recently erected a fine new brick house along the Donegal road at the western borough limits, is erecting a handsome brick stable beside of his house along the street.

Mr. Norman A. Bricker of Philadelphia, is spending a few days with his parents north of town.

## Property Was Withdrawn

The H. H. Zerphy properties about two miles north of this place, consisting of six acres of land with two dwellings, were offered at public sale on Saturday and were withdrawn at \$2,420. Mr. Charles S. Frank called the sale.

## A Farm Sold

Jacob Galebach sold his small farm of twenty acres, one mile east of this borough, to Christian Risser, of near Mount Joy for \$2,800.

## Real Estate Market

A farm of 32 acres in Mt. Joy township was offered for sale by Jacob Kolp. It was withdrawn at \$3,600.

## Comfort! Comfort!

If you want comfort, buy a pair of Shoes at S. B. Bernhart & Co's.

## Obituary Notes

### THE ROAD WHICH WE ALL MUST TRAVEL SOONER OR LATER

#### Some Well Known People From Our Neighborhood Have Passed to the Great Beyond Since Our Last Issue

Ella, wife of Henry S. Whitmyer, died at Manheim, aged 59 years.

Mrs. Anna Gantz died at Manheim last Wednesday at the age of 81 years.

Norman Whitecock of Columbia, died at the Lancaster General Hospital of paralysis, aged 54 years.

Miss Elizabeth G. Sahn is dead, having passed away from catarrh of the stomach at Manheim in her 81st year.

Jacob Wolfe of Marietta, died on Wednesday. He was born in York county in 1827 but has lived in Marietta 37 years.

Joseph Clark, a P. R. R. conductor and Civil War veteran, passed away at his Columbia home Thursday aged 69 years.

### Samuel Schroll

Samuel, the one-year-old son of Wilson Schroll, died at his home, between Fourth and Fifth streets at Columbia, on Sunday. Death was due to cholera infantum. The funeral was held on Tuesday afternoon at 2 o'clock. Interment in Mt. Bethel cemetery at Columbia. The family formerly resided in this place.

### Benjamin F. Divet

Benjamin F. Divet, a well known resident of West Hempfield township and a veteran of the Civil War, died at the home of his son, Walter Divet, at Kinderhook. During the Civil War he served as a member of Company K, Forty-fifth Pennsylvania Volunteers. The funeral was held on Friday morning at 9 o'clock from the house and at 10 o'clock with services at Newtown.

### The Ney Family Reunion

A family reunion was held at the home of Mr. Reuben Ney near Marietta on Sunday. The day was greatly enjoyed, especially the excellent dinner, by all present. Those in attendance were: Mr. Ezra Ney, wife and two children of near town; Mr. Harry Ney and family, of Salunga; Mrs. Amos Ney and two children, of Lancaster; Mr. John Murray and family, of this place; Mr. Simon Bishop and family, of Elizabethtown; Mr. Jas. Prescott, of Harrisburg; Mrs. Saylor, daughter and Miss Alverta Ware, of Columbia and several invited friends.

### Now, That's Better

The trouble in the west end of town resulting from no entrances to the ground opposite the trolley tracks which was purchased by Mr. John S. Nissley, has now been adjusted. ## NOTHING DOING NOW

### No Trolley Line to Middletown for Some Time to Come

On June 19, 1906 the Borough of Elizabethtown passed an ordinance granting the Elizabethtown and Florin Street Railway Company the right to lay their tracks on Market street in that borough.

The company laid its track from the southern borough limits to the Square which has been the terminus of the line. The company in its ordinance further agreed to continue its line thru the borough on Market street to the northern borough limits within two years. By a later ordinance they were granted a time extension which has also elapsed and at a recent meeting of Elizabethtown's Council that body unanimously passed an ordinance whereby the borough gets \$5,500 in cold cash from the trolley company.

Section 8 of the ordinance just passed, says that it was provided that the said Elizabethtown and Florin Street Railway Company should build and operate said railway within two years from the date of said ordinance and thereafter, by an ordinance dated May, 19, 1908, the time for the beginning of said work was extended to January 1, 1909; and whereas the said Elizabethtown and Florin Street Railway Company has built and operates its line on South Market Street to Centre Square in said borough, but has not built and does not operate its line or tract beyond its Centre Square and has not fulfilled or performed the provisions of Section 12 and 13 of said ordinance hereinabove set forth, but desires to be relieved from its obligations under said section 12 and 13 and as a consideration for such release has offered to pay to the said Borough the sum of Five Thousand, Five Hundred dollars (\$5,500); Now therefore be it resolved by the Town Council of Elizabethtown, that the Borough of Elizabethtown accept the said sum of Five Thousand, Five Hundred Dollars (\$5,500) upon the payment of said sum unto the Treasurer of said Borough does release the said Elizabethtown and Florin Street Railway Company from performing and complying with the provisions of sections 12 and 13 of said ordinance hereinabove set forth, and that the franchises, rights, and privileges of said Company over North Market street beyond Centre Square shall thereupon cease and be extinguished. Provided, however, that this resolution shall be null and void unless said sum of Five Thousand, Five Hundred Dollars shall be paid to the Treasurer of said Borough before September 1st, A. D. 1910.

### The Alum's Picnic

The annual picnic of the Mount Joy High School Alumni Association was held at Wild Cat last Thursday. There was about sixty members present. They assembled at the school house and left at 9.30 for their destination in the York County Hills, across the Susquehanna. Upon their arrival there a light lunch was served and at five o'clock a chicken and waffle supper. After supper "dancing" was the mode of entertainment, music being furnished by the Misses Baer and Mr. William Marks. The outing was one of the most successful ever held.

### Old Folks' Day

The members of Trinity United Evangelical Church are arranging to observe Old Folks' Day and Harvest Home. These services in other years were marked with wonderful success but the plan this year will be more elaborate than on any previous occasion. The day set apart for this purpose is Sunday, September 18th.

The various Committees have already been appointed and all are intensely interested in the project.

### They Lived "High"

On Tuesday Mrs. Charles Zeller entertained at Wild Cat Falls at a chicken and waffle dinner, Mrs. A. M. Vogel of Marietta; Mrs. John Cramer, Mrs. Mary Shelly, Miss Lydia Carpenter, Harvey Carpenter and Howard Haines of this place. To say that the dinner as well as the outing was greatly enjoyed, is putting it mild.

### Did You

See the New Fall Clothes that arrived at Getz Bros. today? They're swell and all in the latest patterns too. Stop in to see them.

### Economize

Our sale has been very successful many have taken advantage of this Great Sale. We still offer you greater bargains than before. I. D. Bernhart.

### Take 'Em in Broad Day Light

Some rascal relieved Mr. William Schutte of a number of "clucks" that he had in a coop one afternoon this week.

## Local Doings
