THE WATER QUESTION

# **Boro Council**

BURGESS HOFFMAN HAS A BIG MONTH FOR COLLECTIONS

The Borough is Doing All in Its Power to Prevent Any Further Spread of Our Typhoid Epidemic-All the Water is Being Treated With A Germicide.

Our Boro Fathers met on Monday evening with the following attend-ance: Messrs. B. S. Dillinger, John C. Reist, William Tyndall, Jonas Ris-ser, Burgess Hoffman and clerk Fel-Ienbaum. In the absence of chair-man Brown, Mr. B. S. Dillinger filled ployment. the vacancy. The minutes were read and approv-

not read because it was not properly signed.

The various committees made their ports. Pumping engineer Geo. W reports. Shatz reported that since he has been engineer he has had but two good Shatz reported that since he has been engineer he has had but two good carloads of coal and said "if the deal-ers keep on bidding I won't get any coal at all." He said the last car-load is far from the best grade of Moshannan and that he gets a wheel-barrow load of cinder from a four hours' run. No action was taken hours' run. on the matter

in the race and the Water Commit-tee was ordered to repair same.
