## COUNCILMEN HOLD OVER

Solicitor Hon. W. W. Hensel Gives His Opinion on the Matter

The following was received recently by Burgess Clayton Hoffman, and explains itself: Mr. Clayton Hoffman, Burgess, Mount Joy, Pa.

Replying to your inquiry of the 14th inst., asking to be advised whether under the amendments to the Constitution your Borough Councils must adjourn sine die and re-organize on the first Monday of March, and also whether the councilmen who hold over must be sworn in for the extended term, I beg to advise you as follows:—

The schedule to the Constitutional Amendments adopted in order to carry them into complete operation provides that

"In the case of officers elected by the people, all terms of office fixed by Act of Assembly at an odd number of years shall be lengthened one year.

"The above extension of official terms shall not affect officers elected at the general election of one thousand nine hundred and eight; nor any City, Ward, Borough, Township or election division officers—whose terms of office under existing laws and in the year one thousand nine hundred and ten.

"In the year one thousand nine hundred and ten the municipal election shall be held on the third Tuesday of February as heretofore; but all officers chosen of that election to an office, the regular term of which is two years, and also all election officers and successors chosen at that election, shall serve until the first Monday of December in the year one thousand nine hundred and eleven.

All officers chosen at that election to offices, the term of which is now four years, or is made four years by the operation of these amendments or this schedule, shall serve until the first Monday of December in the year one thousand nine hundred and thirteen. After the year one thousand nine hundred and ten, and until the Legislature shall otherwise provide, all terms of City, Ward, Borough, Township and election division officers shall begin on the first Monday of December in the old numbered year.

All City, Ward, Borough and Township officers holding office at the date of the approval of these amendments, whose terms of office may end in the year one thousand nine hundred and eleven shall continue to hold their offices until the first Monday of December of that year."

By operation of the foregoing provisions none of the terms of the councilmen in your Borough expires in March, 1911, and no new councilmen begin their terms at that time. Those whose terms ordinarily would have expired in March hold over until the first Monday of December, 1911. Therefore, the personnel of councils remains the same, and there is no occasion to re-organize in March neither is it necessary to adjourn sine die, nor for the hold-over councilmen to be sworn in again. Their terms are simply extended from March to December, and the extension is not a new term, but a part of the original term.

Yours truly,

W. U. HENSEL.

## A GRAND TREAT

In Mount Joy Hall on the Evening of February 16th

The following very interesting program will be rendered in songs, recitations and impersonations by Mrs. Robertson Wilharm.

Operatic selections, Scotch, Irish and English Ballads and songs, together with popular music and many readings, recitations, and her latest impersonation, The Humorous Skit—"How People Will Talk" and "It Awful?" in which Mrs. Wilharm changes her costume. This impersonation took the house by storm at her recent concerts in Lancaster on Dec. 1st and Jan. 3rd. She will also give the famous duet, The Prison Scene from Verdi's Opera "Il Trovatore", in which Mrs. Robertson Wilharm will be assisted by Mr. Charles Cassel; the catchy song, "In My Dingle Dangle Dell," Harry Landis' dramatic selection, "The Grand Selection on Scotch Melodies," which met with universal delight at her last entertainment including as it does "Comin' Thro' the Rye," "Bonnie Dundee," "Weel May the Keel Row," "The Blue Bells of Scotland," "Robin Adair," "My Love She's a Lassie Yet" and "The Campbells are Coming." Mrs. Wilharm will recite her powerful and dramatic selection "Told in the Signal Box," the quaint Newsboy's description of his visit to the church entitled "A Newsboy in Church" and several other humorous pieces. Mr. Charles Cassel will sing a number of his best songs including "The Toreador's Love Song," "My Rosary" an entirely new song, "I'm Just Pining for You" and together with Mrs. Wilharm will give their own humorous interpretation of the popular song "Has Anybody Here Seen Kelly." Such a program ranging from the best operatic and most classical music down to the lightest and funniest songs of the times has never before been heard in Mount Joy and a crowded house is expected to support and welcome a lady who is able to sing such ambitious arias in so many other different styles of songs while accompanying herself on the piano in masterly style.

As an entertainer Mrs. Robertson Wilharm is unique, such a combination as singer, pianist and elocutionist has not been heard in this city, and her success is undoubted. It must not be forgotten that she makes a specialty of the amusing English "Coster" songs, such as "My Old Dutch" and "Mrs. Emory Awkins," which she sings in imitable "English" fashion.—Atlantic City Gazette.

She will also give her famous Laughing Song, "Johnny Green" with which she convulses the audience and sends them home laughing.

A Grand Ball piano from H. H. Reifsnnyder & Sons, at Lancaster, will be used on this occasion. The chart opens at Garber's Drug Store at 12 o'clock on Monday, Feb. 13 and no one person will be permitted to have reserved more than four seats unless there are more in a family.
