GOOD ROADS MEETING
Was Held in the Court House at Lancaster Last Week

The good roads mass meeting in the court house in connection with the visit of the P. R. R. Good Roads Train was attended by about 500 from the country districts was very large being indicative of the interest taken in the subject of good roads. D. F. Magee, chairman of the street and highway committee of the Lancaster Chamber of Commerce, presided. Prof. J. P. Jackson, dean of the school of engineering at State College, urged more effective legislation in behalf of the dirt roads. He highly recommended the split-log drag and urged the adoption of broad tires on heavy wagons. That method of making road by spreading on an unrolled foundation loose stone and not rolling it was severely criticized by the speaker as uneconomical and one of the causes of ruts. Any supervisor, he said, can make a roller weighing over three tons from concrete and it will give good results. Prof. J. R. Dodge, a road expert of State College, gave an address on dirt roads and also praised the drag. Both addresses were very instructive and the latter was illustrated by stereoscopic views. R. V. Hass, an engineer of the State Highway Department, gave an illustrated talk on State highways in which he forcefully showed the value of good culverts. Col. John A. Woodward, of State College, showed how a farmer requires good implements for effective farming and should have good roads for economical hauling of his products. The speaker gave a description of a form for making concrete culverts and urged the use of culverts instead of breakers. A number of questions were answered by the speakers after the addresses and from interest shown in the discussions which followed it is expected the visit of the train to this section accomplished much in the advancement of the good roads movement. A notable feature of the meeting was the attention given to the dirt roads, of which one speaker said ninety per cent. of the roads of the State are composed.

Will We Have Base Ball?
Wouldn't it be well for those interested to start something base ballically in this old burg. We sincerely hope Mount Joy will be represented on the diamond this season and we should be. A town that has had teams with records such as ours, should not be excluded from the map of base ball by any means.

For the past few years there were annual events whereby the people of the town gave their mites, thus creating quite a fund for the purpose of conducting the sport as the attendance never warrants the kind of ball played here. Some one should come to the front and start something. There is a balance from last year of almost enough for a field, we have full uniforms, bleachers, backstops, etc., so why not do something and do it before all the good amateur teams have filled their best dates.

The teams are now booking games very rapidly and we hope some one will "get a move on" here.

DEAFNESS CANNOT BE CURED
by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous lining of the Eustachian tube. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Sent for free trial.

F. J. CHENEY & CO., Toledo, O. Sold by Druggists.

Take Hall's Family Pills for constipation.

They Raised the Dough
Thru various sources New Holland has raised a fund of \$500 for base ball the coming season. That's the right kind of spirit. They are now debating which would be better. Have another championship team or play with an all home club and save some of that coin for the erection of a gymnasium or something of the sort.

Preached at Landisville
Rev. Howard W. Cover, pastor of the Church of God at Columbia, preached Friday evening at Landisville. A large revival meeting is in progress there, conducted by Rev. Harvey S. Hershey, pastor of the Church of God.

How To Stop Stubborn Cough

We don't mean just stop the irritation in your throat—but cure the underlying cause.

Cough syrups cannot do this. It takes a constitutional tonic body builder to do the work properly—and cure you to stay cured. Vinol is the remedy you need.

HERE IS PROOF
Mrs. Minnie Osgood, of Glens Falls, N. Y., writes: "After trying several remedies for a bad cough and cold without benefit, I was asked to try Vinol. It worked like magic. It cured my cold and cough and I gained in health and strength. I consider Vinol the most wonderful tonic and invigorator I ever saw."

If we cannot stop that cough with VINOL—our delicious cod liver and iron tonic—which is made without oil—we will not charge you a cent for the medicine you buy. This seems like a pretty fair proposition—and ought to be accepted. Don't you think so? With this understanding we ask you to try a bottle of VINOL.

Cash Prizes for Orations
Graduates of high schools in Lancaster County this year will find an opportunity to contest for prizes worth working for in the announcement by the Lancaster Automobile Club that it will award cash prizes for the best three commencement orations on either the subject "Value of Improved Highways," or "The Split-Log Drag and Good Roads," the contestant making the choice of subject. An impartial committee of Lancaster countians will examine submitted essays, and award \$15 as first prize, \$10 as second prize and \$5 as third prize. At least one member of every class to be graduated by borough or township high schools is urged to compete.

The subjects for the essays are of an educational nature. Road problems have become questions of foremost importance in this country as we realize we are a century behind European countries in the development of our highways and as the correction of our neglect in road affairs will be one of the achievements of the future it is proper that the attention of our young people who will be the men and women of tomorrow be directed now to these problems in the solution of which they will participate. Essays submitted in competition shall be sent to Walter R. Markley, Lancaster, who has charge of the contest. No essay shall bear the name of its author but it shall be accompanied by a separate paper with the name and address of the pupil and name of school attended with date of commencement. Further information on the contest can be obtained from Mr. Markley.

For Tobacco Growers

The Lancaster County Tobacco Growers' Association will hold its regular meeting in the Board of Trade Rooms, East Orange street, Lancaster, Pa., on Monday, March 13, 1911, at 2 p. m. The following topics have been assigned for discussion: "What is the best method of applying fertilizer for the culture of tobacco?"—J. S. Weiss, Salunga. "My best method of forcing plants."—Peter Foreman, Churchtown. "A talk on pole burn."—Edward Hiebman, Ephrata.

The members and the public are cordially invited to attend.

Had a Thrilling Ride

Miss Catharine Hersh, of Maytown a student of the High School, had a thrilling experience which she will not soon forget. When returning home, near Donegal Springs, her horse frightened and run away. With all her strength she held the animal but the tearing of the backing strap made the animal more fractious. To stop him, she ran him against a fence and there was no further damage and she escaped injury.

Gruber-Martin

Ervin S. Gruber, of near town, and Miss Cora S. Martin of Elizabethtown, were united in marriage on Thursday evening. The ceremony was performed by Rev. J. W. Myer. Mr. and Mrs. Gruber will make their home in the vicinity of Mount Joy.

71,240 PRISONERS
Have Been Lodged and Boarded in Our Jail Since Sept. 12, 1851

The present Lancaster county jail was opened September 12, 1851, and has been in use about 59 1/2 years. The report for 1910, which is just out, shows that up to December 31st there had been received and entertained at this popular, low-priced boarding house 71,240 persons, of whom 7,033 were colored.

The greatest number in a single year was 2607 and 1896 was the year. The smallest number was 437, in the year 1854. The prisoners included 6,172 women, and 1,638 of these were colored.

Not until 1868 did the annual enrollment reach the thousand mark, and it is a striking fact that the increase at that time was suddenly very great; for while in 1865, 1866 and 1867 there were respectively 567, 433 and 587 prisoners, in 1868, 1869 and 1870 the respective numbers were: 1116, 1809 and 1941. Since 1868 the number has fallen under 1000 just a few times; 734 in 1873, 721 in 1899, 981 in 1900, 976 in 1902, 890 in 1902 and 909 in 1906.

The number for last year was 1185 divided as follows: White males 971, white females 39, colored males 144 and colored females 31. There were 25 times as many men as women among the whites, but among the colored folks the ratio was less than five to one.

A Surprise Party

Mr. Ralph F. Eshleman, clerk at Mr. H. E. Ebersole's store, upon returning home from work Monday evening was very agreeably surprised when he found that his friend Miss Mae Lefley, of Florine, had successfully arranged a surprise party for him. A large number of young folks were present and all had a fine time. A table laden with good things to eat, games and music constituted the program. Those present were: Miss Mae Lefley, Miss Cathryn Collins, Miss Dorothy Gabel, Miss Bertha Lewis, Miss Bertha Lackard, Miss Elsie Farmer, Miss Viola Lefley, Miss Anna Barclay, Miss Gusle Barclay, Misses Ella, Katie and Mary Eshleman, Miss Bessie Sheaffer, Misses Helen and Dorothy Egge, Mrs. S. B. Lefley, Mrs. I. M. Baker, Mrs. S. Menagh, Messrs. John Gabel, Harry Miller, Edgar, Ross, Perry Minnich, Warren Farmer, Charles Watt, Clayton Pennypacker, Carson Engle, Echart Sheaffer, Simon Menagh, Howard Baker, Harry Frey, Ralph Eshleman.

Mr. Eshleman was the recipient of a number of presents and he wishes to thank his many friends thru the columns of the "Bulletin."

A Fierce Night Alarm

Is the hoarse, startling cough of a child, suddenly attacked by croup. Offer it, it is called Lewis Chamberlin of Manchester, O. (R. R. No. 2) for their four children were greatly subjected to croup. "Sometimes in severe attacks," he wrote, "we were afraid they would die, but since we proved what a certain remedy Dr. King's New Discovery is, we have no fear. We rely on it for croup and for coughs, colds or any throat or lung trouble." So do thousands of others. So may you. Asthma, Hay Fever, LaGrippe, Whooping Cough, Hemorrhages by before it. 50c. and \$1.00. Trial bottle free. Sold by S. B. Bernhart & Co., Mt. Joy, Pa.

A Big Fire

A large frame barn and tobacco shed which stood on the property of the Columbia & Washington Borough Turnpike Company, just south of Columbia at the gate house kept by James B. Reese, was totally destroyed by fire at 5:20 o'clock Wednesday evening. The exact cause of the fire is unknown, but it is believed to have originated from a spark from a locomotive that had passed only a few minutes before the flames were discovered.

Hurt in a Fall

Albert Hawthorne, of Lobata, with a lantern came down stairs to fix his fire for the night. After completing the job he returned and when near the top of the stairs fell and was so badly injured that his wife was compelled to call for aid to pick him up. Luckily no fire resulted from the fall, but had he a lamp instead of a lantern, he may have met a more serious fate, as he lay for some time before found. His back is sprained.

A Neat Piece of Work

Mr. Ralph Eshleman, the clerk at Mr. H. E. Ebersole's store, showed us one of the finest pieces of pyrographic work we have seen in a long time. It was a work box with clusters of green leaves and ripe red cherries all over the exterior with a dark brown background. Ralph does this kind of work during his spare moments and is certainly developing skill as a pyrographist.

He Deserved More

Howard Hiedler pleaded guilty to an attempt to rape Eliza Goehenour, aged ninety-three years, who lives on the Harrisburg turnpike, near Salunga. The facts were related to the Court by Constable Steigerwald, who made the arrest. He was sentenced to imprisonment in the Eastern Penitentiary for not less than fifteen months nor more than five years.

Should Follow Suit

We see by the Manheim Sentinel that Manheim will install a telephone for its high constable and we see no good reason why this same practice should not be a great benefit here.

NO REASON FOR IT
When Mt. Joy Citizens Show the Certain Way Out

There can be no just reason why any reader of this will continue to suffer the tortures of an aching back, the annoyance of urinary disorders, the dangers of kidney ills when relief is so near at hand and the most positive proof given that they can be cured. Read what a Mt. Joy citizen says:

Mrs. L. P. Hellig, Main street, Mt. Joy, Pa., says: "I was troubled by kidney complaint and nothing had helped me. My back was often so weak that I could not get about and I had severe headaches and dizzy spells. Spots flashed before my eyes and I felt all run down. Seeing Doan's Kidney Pills advertised, I procured a box at Garber's Drug Store and began their use. They soon relieved my pains and improved my condition in every way. I consider this remedy worth my endorsement. (Statement given October 26, 1907.)"

Confirmed Proof.
On January 29, 1910, Mrs. Hellig added to the above: "I can recommend Doan's Kidney Pills just as highly now as I did over two years ago when they gave me such great relief. Now as I did over two years ago, I am able to do my work. For sale by all dealers. Price 50 cents. Foster-Milburn & Co., Buffalo, N. Y., sole agents for the United States.
Remember the name—Doan's—and take no other."

A Modern Store
After the work now under way is completed, the hardware store of Mr. H. S. Newcomer on East Main Street will undoubtedly be one of the most modern, up-to-date and complete hardware stores in this county, not even excepting those of Lancaster City. Carpenters have been at work rearranging the interior for weeks past. More floor space has been added, large windows placed on the west side and the entire store is being arranged in departments, each to accommodate its line.

Mr. Newcomer carries a very large and complete line of everything to be found in a first-class store and a visit to his place of business after the completion of the present improvements, will convince you that the above facts are not exaggerated. Inquiries in the line of hardware should be sent to Mr. H. S. Newcomer, East Main Street, Mount Joy, Pa.
