

How Are You, Friend?

When spring comes round, do you feel weak and languid, and are you troubled by biliousness and indigestion, and by a heavy, sluggish, lifeless feeling?

- Are you ever troubled with humors or eruptions or pimples?
 - When you get a cut or scratch, is it slow to heal and apt to fester?
 - Are you troubled with a thick, muddy complexion, or with black-heads or blotches?
 - Do you have cold-sores or styes or run-rounds?
 - Do you ever have boils or abscesses?
 - Did you ever suffer from a carbuncle?
 - Or a felon?
 - Have you had running, open sores or ulcers which would not heal?
 - Do you have swellings or tumors? Are you of a scrofulous tendency?
 - Are you subject to chills and fever or any form of malaria?
 - Are you pale and is your blood thin and watery?
- If so, the trouble is in the blood. There is scarcely a family which does not suffer at times in some of these ways; and all, man, woman or child, need to put their blood in good condition by taking

Pinkham's Blood Purifier

See What it Did for This Girl

"It is with a feeling of gratitude that I write to you, for after taking your medicine for some time I feel that I am cured and cannot be thankful enough for it as I have been a great sufferer."

"I was always so bloodless, my blood was almost turned to water; was languid and weak. The doctors had all given me up."

"I took Pinkham's Blood Purifier and it was not long before I was perfectly cured and was strong and well again." **MAGGIE ROWLEY, Dolliver, Iowa.**

Our Weekly Grain Letter

Compiled for the Mount Joy Bulletin, at Mount Joy, Pa., by Wm. L. Bear & Co., Pennsylvania Building, Philadelphia, Pa., by D. B. Lehman, Manager, Woolworth Building, Lancaster, Penna. Phila., April 4, 1911

Lacking anything new in the way of developments, prices have continued to drag lower; not so much from selling pressure as an almost entire absence of buying power. In the long decline that has taken place in the cereal market, it has become a popular idea that the accumulation of huge supplies, together with abundant crop prospects, have created a supply and demand situation abnormal. As a matter of fact, during the past four weeks the visible supply of wheat has decreased more than six million bushels against an increase of more than two million last year, and the daily receipts are so far under those of a year ago as to be insufficient for milling requirements. So far as the crop outlook is concerned, it is much too early to call it either good or bad, but the deficiency in moisture during the past year is substantial, and while a bountiful harvest is possible, the situation may not be viewed with especial optimism.

The whole difficulty is that the possibility of Canadian reciprocity presents a new influence and one that before it has never been necessary to reckon with. Lacking any definite data on which to judge of its possible effect upon values, the entire trade has gone along upon a basis of ultra conservatism. In which each individual has seemed to take the stand that such legislation would not find him the holder of any appreciable quantity of grain. With ten thousand flour mills and many more thousand grain dealers this restriction in purchasing power has possibly aggregated much more than any present burden of supplies.

Welchans-Hollenbaugh
At the parsonage of St. John's Lutheran church, at Maytown, a pretty wedding was solemnized, when Charles W. Welchans was united in marriage to Miss Lillian M. Hollenbaugh, daughter of Mrs. Alice Hollenbaugh, of near Maytown. Rev. G. Arthur Fry, pastor, was the officiating clergyman. There were no attendants. A reception followed at the bride's home. The groom is one of Maytown's most prominent young men, and foreman of the Rissert tobacco establishment. After a tour to New York, Philadelphia and other places they will reside in Maytown.

Given a Reception
Mr. and Mrs. Luther Roath have returned from their honeymoon. Sunday at the home of Mr. and Mrs. Samuel H. Tressler, tenant on one of ex-Senator J. Donald Cameron's farms, just a few miles from here, a reception was tendered the newly married couple, the bride being a daughter of Mr. and Mrs. Tressler. More than two score of guests were present and an elaborate dinner was a feature. The decorations were fine Mr. and Mrs. Roath will be at home after April 10.

FREE ADVICE TO WOMEN

Women suffering from any form of illness are invited to promptly communicate with Mrs. Pinkham at Lynn, Mass. All letters are received, opened, read and answered by women. A woman can freely talk of her private illness to a woman; thus has been established this confidence between Mrs. Pinkham and the women of America which has never been broken. Never has she published a testimonial or used a letter without the written consent of the writer, and never has the Company allowed these confidential letters to get out of their possession, as the hundreds of thousands of them in their files will attest.

Out of the vast volume of experience which Mrs. Pinkham has to draw from, it is more than possible that she has gained the very knowledge needed in your case. She asks nothing in return except your good will, and her advice has helped thousands. Surely any woman, rich or poor, should be glad to take advantage of this generous offer of assistance. Address Mrs. Pinkham, care of Lydia E. Pinkham Medicine Co., Lynn, Mass.

COMFORTING WORDS

Many a Mt. Joy Household Will Find Them So

To have the pains and aches of a bad back removed; to be entirely free from annoying, dangerous urinary disorders is enough to make any kidney sufferer grateful. To tell how this great change can be brought about will prove comforting words to hundreds of Mt. Joy readers.

Mrs. Christian Sprout, Donegal Street, Mount Joy, Pa., says: "I was so bad with kidney complaint that my health was affected. The secretions from my kidneys were unnatural and irregular in passage and my back ached constantly. I was nervous and often had chills. Deciding to give Doan's Kidney Pills a trial, I procured a box at Garber's Drug Store. The first few doses helped me and by the time I had finished the contents of a box I was free from every symptom of kidney complaint." (Statement given October 26, 1907.)

Re-Endorsement.
On January 29, 1910, Mrs. Sprout was interviewed and she said: "I am just as strong in my praise of Doan's Kidney Pills now as ever. I gladly verify my former endorsement of this remedy."

DR. PIERCE'S FAVORITE PRESCRIPTION
THE ONE REMEDY for women's peculiar ailments good enough that its makers are not afraid to print on its outside wrapper its every ingredient. No Secrets—No Deception.
THE ONE REMEDY for women which contains no alcohol and no habit-forming drugs. Made from native medicinal forest roots of well established curative value.

The world has been crying for a better, stronger and more durable, fire and water proof building material; something that is warm in Winter and cool in Summer and at the same time, inexpensive. What material will answer this purpose better than Concrete? The United States as well as all the foreign countries are establishing concrete as a standard for all kinds of construction work as it has all these qualifications and last but not least durability. I would suggest that if any one is in doubt as to the material, manner of construction, etc., that they call at my place of business and see what I have to offer. I will guarantee a satisfactory job and my best evidence is to have you call on people for whom I have erected entire buildings and hear what they have to say.

Permit me to give you a demonstration of the advantage of buying from me. If a man went into a store for a hat, he would be quite disgusted if his only selection would be a black stiff hat or a black felt hat wherein his intantion was the purchase of a gray, brown, red or blue hat. Suppose a man is interested in building a home or some other building. I can show him many different designs or combinations of building blocks in almost any color desired. I can't help but have something that will please you.

I invite you to call and see what I have to show you in this line. Get my prices and make comparisons with others. Am equipped to do all kinds of Concrete Work, Best Quality of Cement for sale, will guarantee all concrete and building blocks waterproof. What more could you desire? I can save you from 25 to 50 per cent. Having had 27 years experience in building, I will give you the benefit of my vast experience and it will cost you nothing so if interested, call and see me.
