HOW I WAS CURED OF SCROFULA

"I was in a very bad condition with scrofulous swellings round my neck. It started with a bunch on the side of my neck and it kept growing until the whole side of my face was swollen.

"I had tried everything in the shape of medicines for five years. I had gone under an operation in one of the hospitals in Boston and had them cut out. I had thirty little tubular glands taken from back of my ear down my shoulder. After the cuts healed over they started to come again and worse than before.

"After suffering so much I thought I would try Pinkham's Blood Purifier and before I had taken two bottles there was a great change in the swellings. I continued its use and to-day I am a well woman Every

"I cannot speak too highly in praise of Pinkham's Blood Purifier." -Mrs. W. H. HATNES, 38 Adams Avenue, Everett, Mass.

The tendency to Scrofula seems to be hereditary and it is hard to overcome. It may lie dormant for years, and then break out anew

The only known remedy for Scrofula is to keep the blood pure and rich by the use of a good blood purifier. It may require long treatment, but Mrs. Haynes found that Pinkham's Blood Purifier cured her of this dreadful disease, after all other means had failed.

Pinkham's Blood Purifier is equally as good for all diseases emanating from impure, impoverished blood, and is the best Spring medicine known. People will find the Blood Purifier just as reliable a remedy as the women of the world have found Lydia E. Pinkham's Vegetable Compound. Unequalled — satisfying and dependable.

The week past has been one of pronounced activity in the grain list, with a broadening of trade and increase in public participation easily the feature. An upward movement of some consequence has been the net result, with closing prices not only substantially above those which Made Safe by Lydia E. Pinkham's g'frogt. have recently prevailed, but with Vegetable Compound. sentiment much improved, and conditions in the trade much more healthful.

WELCOME WORDS TO WOMEN

WELCOME WORDS TO WOMEN

Women who suffer with disorders peculiar to their sex should write to Dr. Picree and receive free the advice of a physician of over 40 years' experience—a skilled and successful specialist in the diseases of women. Every letter of this sort has the most careful consideration and is regarded as sacredly confidential. Many sensitively modest women write fully to Dr. Pierce what they would shrink from telling to their local physician. The local physician is pretty sure to say that he carnot do anything without "an examination." Dr. Pierce what they would shrink that these distusteful examinations are generally needless, and that no woman, except in rare cases, should submit to them.
