A MISSIONARY CONVENTION

Annual Meeting of Woman's Society of Westminster Presbytery

The twenty-eighth annual meeting of the Woman's Home Missionary Society of Westminster Presbytery was held on Thursday at the Presbyterian Church, Rev. F. G. Bossert, pastor. Nearly two hundred delegates were present, and the sessions were presided over by the president, Miss E. R. Hastings, of Quarryville. A preliminary service was held the evening previous, at which the address was made by Mrs. J. A. Frazer. The offering was for the Presbyterian Contingent Fund.

Thursday morning's session was opened with a devotional service, led by Mrs. John Galt. There were greetings by Mrs. Bucher and Mrs. Stubbs and the minutes of 1910 were read by Mrs. E. Miller. The reports of secretaries followed, Corresponding, by Miss Ely; Literature, by Miss Sunny; Freedmen, by Miss Mable; Young People's Societies, by Miss Manning. The Treasurer's report was presented by Mrs. E. P. Stair.

Mrs. Lincoln, of New York, made an address of a very interesting character on a subject in line with the society's work. Routine work ended the session, and luncheon was then served by the ladies of the church. Mrs. Bailey, of Harrisburg, conducted the praise service, which opened the afternoon session, and this was followed with the reading of the report of the Synodical meeting held at Beaver, Pa., by Mrs. E. Miller. An interesting address was made by Mrs. J. F. Clokey, and was followed by various reports.

Bossert made an able address. They made the trip by team and it was greatly enjoyed by the participants. They left on Tuesday morning.

Political Rumor

A little birdie tells us that there will be some tall doings politically this fall. Several Councilmen must be elected, an entire school board on account of the new school code and last but not least Mr. C. N. Mumma will make a strong bid for the sheriffship of this county. That should make things lively.

Now's the Time

Among the bills approved by Governor Tener last week was one authorizing boroughs to lay out parks beyond limits. Here's where we shine and we do hope an effort is made in that direction. The "Dell" would be an ideal location, easy of access and what not?

Pastor Accepts Call

Rev. H. S. Pulsifer, rector of St. Luke's Episcopal Church here, has accepted the call to become rector of St. John's Episcopal Church, at Marietta, and will assume his duties on July 1. He succeeds Rev. A. E. Dunham who returned to his former charge at Westfield.

In Contact With Wire

Mrs. Daniel Derr of this place, had an experience on Thursday that she will not soon forget. She came in contact with an electric wire at her home that suddenly coiled about her neck. She was thrown heavily to the floor but bruises are her only injuries.

Struck by Lightning

During Monday night's thunder storm lightning struck a pole carrying the transformer at the corner of Henry and New Haven streets. It was badly damaged. A locust tree on the lot of Mr. Daniel Kramer on Railroad Avenue, was also splintered.

Elected to Principalship

The many friends of Prof. A. M. Martin, of this place, will be pleased to learn that he was elected principal of the Honeybrook schools at Honeybrook, Chester County, on Friday evening.

Band Will Dis-Band

A rumor is current that the Foresters Band which has been so successful as a musical organization, will disband after July Fourth. We hope the rumor is incorrect and that we may continue to have one of the best bands in the county.

"Good Presence of Mind"

Isn't it a shame that we don't have a base ball team. Well, yes, but it is still worse to have matters in such a run down (?) condition that no one cares to take hold of them. At any rate let's compare notes for a joke. A certain individual said our team was a success in 1909 but 1910's team was a failure.

The season of 1909 closed as follows: Games won, 16; lost 5; tied 3. Cash on hand \$36. Team's percentage .656.

The season of 1910 closed as follows: Games won, 22; lost 4, tied 1. Cash on hand \$60. Team's percentage, .818.

Of course these figures speak for themselves, comment is unnecessary and but for a case of "sour grapes" the guy never would have made such a crack. We would say however that persons who never attend ball games except for the purpose of obtaining the scores for the dailies at \$5 per column, and then slip in the backway along in the middle of a game thus evading the mighty 15 cents, should not express opinions base ballically.
