Interment was made in the cemetery adjoining.

Aaron P. Breneman, a retired farmer of East Donegal township, died on Wednesday from apoplexy, sustained about five weeks ago. He was aged 76 years. #### Get Your Wheat Graded

As wheat is not near what it should be this year, full of cockle, many small grains, etc., such seed should not be sown this fall as farmers cannot expect a good crop from poor seed. Mr. M. L. Greider of this place has a grain and seed grader that he will guarantee will positively remove cockle, small and imperfect grains of wheat, leaving only the large perfectly formed ones for sowing. Farmers are requested to look this new machine over, or take what to his place of business and he will cheerfully demonstrate.

### Landsville Camp

The monotony of camp was somewhat disturbed on Saturday, when Geo. E. Wisner, of Lancaster, entertained his employes on the grounds. Proprietor Patten, of the restaurant, served an excellent luncheon to which all did ample justice. Miss Martha Eby, of Salunga, entertained at her tent about forty young ladies of the Sewing Circle of that vicinity.

A number of our young people took a trolley ride on Saturday evening to Mount Joy, walking back the five miles to camp. They say they had a grand hike. Sunday evening the first religious service was held in the grounds, consisting of a song service and an address by Rev. Percy Carpenter. Mr. Carol Kinter and Mr. Charles Burtlett, both of Harrisburg, sang solos. The audience filled the temple. The new bell on the auditorium was rung for the first time. Everything is in readiness for Thursday's opening day for camp.

### A Good Idea

In a current issue of Col. Greer's Columbia Independent he says: "In a conversation with Hon. M. R. Hoffman of East Donegal, we learned that the School Board of that township has in operation a regulation that he says, works well. They pay good salaries and want results, and \$5.00 per month is withheld until the end of the term, and will then be paid, providing the County Superintendent gives the teacher a No. 1 mark. There have been numbers of instances where the Board saved the deduction on account of teachers failing to teach the standard. It is an incentive for good work."

### Improving Their Parlors

That Friendship Fire Company No 1 will have one of the finest parlors in these parts and then some, is only too true. The large room has been divided into two, one half being covered with linoleum and the other with a large rug. Exceptionally fine furniture has been placed in position, fine large leather upholstered chairs will be placed in the parlor and when completed will be all that can be expected and will certainly make things home like for our fire laddies.

### They're Getting Larger

Whether or not the leaves are growing so rapidly or whether growers are trying to win laurels, we are unable to say but nevertheless the contest is getting interesting.

Recently Mr. M. K. Brubaker of this place, exhibited a 29-inch tobacco leaf. Along came Mr. J. G. Reist with one 32 inches long. Old reliable Donegal, not to be outdone, now carries the banner. Mr. John Eyer brought us a leaf that was cut July 22, which measured 33 inches in length. Next!

### Political

Like getting back to old times when as many as twenty-five and even more persons announced their candidacy for one office. About half a dozen names have been mentioned for the Sheriffship, but maybe there aren't a bunch after Commissioner- ship. Mr. John R. Bucher of Colum- bia; F. P. D. Miller, also of Colum- bia; W. B. Schneitman of Elizabeth- town; Ex-County Commissioner, M. L. Greider of this place, are a few. The more the merrier.

R., who with his family are spending the summer at Landsville, came here by trolley, being accompanied by a dozen or more young ladies and gentlemen.
