NOBUTTON VEST

This is the sensible underwear people are talking about. So pretty and dainty you will simply fall in love with it as soon as you see yourself in it.

No buttons to sew on---because there are no buttons to come off. No spread buttonholes. No torn, wrinkled facings.

Just the simplest, neatest garment you can imagine. A perfect aristocrat in its shaping, knitting and finish.

NoButton appeals instantly to the woman of fashion. It fits like a second skin.

At the front of the neck is a tongue under two loose sides which are drawn together by a neat mercerized silk tie after the garment is put on.

NoButton sells at 50 cents a garment in the best quality. A less expensive grade sells at 25 cents.
