ROWE RING-POINT CALKS

Improved Tool-Steel Centers You've known Rowe Calks for years. Now the best of the old is made better in the New Ring-Points. The only detachable calks cheaper and better than old-fashioned sharpening. Cheaper because they cost no more at first. Better because they last twice as long. Once in right, always tight. Never break off at the shoulder. Never bend or strip threads. ONLY RING-POINTS HAVE A WELDED TOOL-STEEL CENTER. That's why they stand the wear and tear of rough roads without dulling. The only calks that grind sharp as they grow short. He who hesitates loses time, money and maybe a horse. Let me fix up that set of calks today.

GIVING OUT

The Struggle Discourages Many Citizen of Mt. Joy

Around all day with an aching back; Can't rest at night; Enough to make any one "give out."

Doan's Kidney Pills will give renewed life. They will strengthen the kidneys.

Here is Mt. Joy proof that is so: Mrs. M. M. Frank, Main Street, Mount Joy, Pa., says: "I can recommend Doan's Kidney Pills just as highly today as I did in 1907. They cured me of kidney trouble at that time and I have had no return attacks. Hard work was probably the cause of this complaint in my case. My back ached a great deal and I was nervous. I tired easily, did not sleep well and had headaches. Hearing a great deal about Doan's Kidney Pills, I decided to give them a trial and procured a box at Garber's Drug Store. Their use brought prompt relief, in fact, I did not think any medicine could act so quickly. In a short time I was cured and today I am enjoying good health."

Remember the name—Doan's—and take no other.

Your Lungs and Throat. The preparation mentioned by the Rev. Chas. Sager has been for over sixty years of incalculable worth to sufferers from consumption, asthma, bronchitis, catarrh, grippe, coughs, colds and all lung and throat diseases, and is a household remedy in many, many homes to which it has brought health and happiness.

Mr. C. A. ABBOTT, August 1st, 1905, 60 Ann St., New York City.

I have known you for over 40 years of the effects of Wilson's Remedy (Wilson's Preparation of Hypophosphites and Biogelatin) in cases of pulmonary trouble. At this point I will say to you what you have not before known of, that 40 years ago, while I was a resident of N. Y. City, I was severely ill with lung trouble. Physicians said I was a consumptive and my family physicians said I was that I thought I could not recover. My attention was directed to the Wilson Remedy, which I used with splendid effect. I have known my feet and at work ever since my cure. Yours truly, C. A. ABBOTT.

The above letter shows what a great boon the Wilson Remedy was to Mr. Sager, but it is but one of thousands received testifying to the curative powers of this wonderful remedy. Write at once to Mr. Abbott at the above address and he will furnish you convincing proof of the great worth to humanity of this preparation.
