HOME HEALTH CLUB

By Dr. David Reeder, LaPorte, Ind.

Everyday Dangers:—The Home Health Club is the enemy of fear; it constantly advises all who may possibly be brought under its influence, in the slightest degree, to be brave.

You would consider it criminal in one who had a contagious and dangerous disease, to go into a public place and thereby spread the contagion.

Just think a minute. See that dirty chap over there with a sore mouth, uncombed hair and a general appearance of filthiness?

Well, just remember that every time you take a drink from any public drinking-cup or other vessel of the kind, that some such person may have drunk from it.

At Hot Springs, Arkansas, the most famous of all places for the cure, by the waters, of syphilitic and mercurial diseases, the first-class hotels do not even make a pretence of furnishing bath-towels to their guests.

Have your own drinking-cup with you, wherever you go, as scrupulously as you would your own tooth brush, and carry your own toilet articles when you start on even the briefest trip.

These admonitions and everything akin to them should be taught by parents, in the schools, and for this time, the approach of disease is in reason it is less guarded against, in the simplest matters.

Whereupon the dealer hung the saw on a peg and put the money in his cash drawer.

"That makes \$1.67," he said. "It has cost you two cents more and taken you two weeks longer to get the saw than if you had paid my price in the first place."

Your Lungs and Throat. The preparation mentioned by the Rev. Chas. Sager has been for over sixty years of incalculable worth to sufferers from consumption, asthma, bronchitis, catarrh, grippe, and is a household remedy in many, many homes to which it has brought health and happiness.

Mr. C. A. ABBOTT, August 22, 1905, 66 Ann St., New York City.

Dear Sir: I have known for over 40 years of the effects of Wilson's Remedy (Wilson's Preparation of Hypophosphites and Biotin) in cases of pulmonary troubles.

To be brave is one thing, to be careful is another, and there is no reason why they should in the least, militate against each other, and this is what is meant by the admonitions to guard against "Everyday Dangers."

Nothing in my favorite paper that you will answer questions on all subjects of health. I write for your advice in my boy's case. He cut his knee when he was 10 years old; is now 14. In a year he was, apparently, all right, but now at

times the knee is weak and painful and the muscles seem to be too short. The joint is smaller than the other but is not stiff. It will hurt for a week or more, then it may be well again for a month.

(Answer) Foment the knee about twice a week, seeking to keep the fomentation hot for a considerable length of time, rather than to make it extremely hot for a short period.

Doan's Kidney Pills act quickly. Are for distressing, dangerous kidney ills.

Delay Has Been Dangerous in Mt. Joy Do the right thing at the right time.

Act quickly in times of danger. Backache is kidney danger. Doan's Kidney Pills act quickly.

Plenty of evidence to prove their worth. Mrs. F. Conrad, David St., Mount Joy, Pa., says: "I suffered intensely from kidney trouble and it would be hard to describe the misery I endured."

A Lasting Effect Mrs. Conrad was interviewed on health has been of the best since I took this remedy two years ago.

Remember the name—Doan's—and take no other.

A Mail Order Deal Down in Texas the other day a man went into a store to buy a saw. He saw the kind he wanted and asked the price. It was \$1.65, the dealer said.

"Good gracious," said the man, "I can get the same thing from Sears, Roebuck & Co., for \$1.35."

"That's less than it cost me," said the dealer, but I'll sell it on the same terms as the mail order house just the same."

"All right," said the customer, "you can send it along and charge it to my account."

"No charge accounts. You can't do business with the mail order house that way. Fork over the cash."

"Now two cents for postage, and five cents for a money order."

"Certainly you have to send a money order to a mail order house, you know."

"The customer, inwardly raving, kept to his agreement and paid the nickel."

"Now twenty-five cents for expressage."

"Well, I'll be—" he said, but paid it saying, "Now hand me that saw and I'll take it home myself and be rid of all this foolery."

"Hand it to you? Where do you think you are! You're in Texas and I am in Chicago, and you'll have to wait two weeks for that saw."
