

GREATEST MEDICINE ON EARTH

A prominent citizen of Evansville, Ind., writes: "I was ill for five months with a pulmonary trouble, and had the best of doctors. I had hemorrhages and was in a very bad way. Through the advice of a friend I tried Vinol, and I feel that it saved my life. It is all you recommend it to be. I believe it is the greatest medicine on earth. I have advised others to try Vinol, and they have had the same results." (Name furnished on request.)

We want every one in this vicinity who is troubled with chronic colds, coughs, or pulmonary troubles, to come and get a bottle of Vinol. It will heal the inflammation and stop the cough, and we will cheerfully return every cent paid us for it. This shows our faith, and proves that you take no chances. E. W. GARDNER, Mt. Joy, Pa.

Aids Nature

The great success of Dr. Pierce's Golden Medical Discovery in curing weak stomachs, wasted bodies, weak lungs, and obstinate and lingering coughs, is based on the recognition of the fundamental truth that "Golden Medical Discovery" supplies Nature with body-building, tissue-repairing, muscle-making materials, in condensed and concentrated form. With this help Nature supplies the necessary strength to the stomach to digest food, build up the body and thereby throw off lingering obstinate coughs. The "Discovery" re-establishes the digestive and nutritive organs in sound health, purifies and enriches the blood, and nourishes the nerves—in short establishes sound vigorous health.

If your dealer offers something "just as good," it is probably better FOR HIM--it pays better. But you are thinking of the cure not the profit, so there's nothing "just as good" for you. Say so.

Dr. Pierce's Common Sense Medical Adviser, in Plain English or, Medicine Simplified, 1008 pages, over 700 illustrations, newly revised up-to-date Edition, paper-bound, sent for 21 one-cent stamps, to cover cost of mailing only. Cloth-bound, 31 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.

Though young in years, Miss Kraybill bids fair to be one of Harrisburg's most accomplished musicians. That her excellent work at the Stevens Memorial Church is appreciated was demonstrated by the presence of many members of the congregation at the recital. Miss Kraybill is a granddaughter of Mr. and Mrs. Lewis Seeman of this place.
