EDITORIAL

One way to please a woman is to let her do as she pleases.

Is marriage a failure? Huh! Ask Ina Goodrich and Lina Cavalieri.

The Russian bear feels comfortable with its feet on a Persian rug.

France gets a new cabinet more frequently than a man gets a new

In whooping it up, Chicago goes the limit in starting the whoopingcough party. Princeton university has elected a

new President. It's sink or swim now Woody. No state should put forward a favorite son unless the country at

large knows his last name. By forgetting politics a few minntes Congress may succeed in authorizing the parcel post.

headline. Not quite; T. R. is 233 speeches and 796 editorials ahead.

andy Carnegie to do something handsome for it in return for that

With one convention on the 18th and the other on the 25th it looks as if we might have a two-ring circus East Main Street,

not use "mean" in the usual sense, but he might as well. Tyrus Cobb has given up his at-

tempt to elevate the stage. He will spend his time hereafter in elevating his batting average. There are times when the czar

must wish that he had in his own cabinet men with such moral back bone as Morgan Shuster. When a woman sees a man she

once refused, going ahead in the world, she never stops to figure out the reason for his success

Uncle Andy Carnegle says that the Iron and Steel industry has no need of protection. We can forgive him everything for saying that truth.

Having selected a president, we suppose China will now be holding torchlight parades and having rear platform speeches, Allee samee Mellican Man.

The voices of three typical Chicago men are to be preserved in phonographs. To give this experiment a truly local flavor they should be recorded by crying "help."

If this fad of carrying dynamite around the country spreads much more we may see Pullman porters and transfer men handle baggage with some respect.

Census Director Durand reports that there are 1,000 more unmarried women in Washington than unmarried men. This puts a premium on local leap year activities.

Mr. Edison says he likes to read novels, because they don't require him to think, and it is understood that authors like to write them for the same reason.

"For fifty years the south has voted solidly for Northern presidential candidates. Is there a reason under the sun why the North would not vote for a southern man, if he was of the right calibre? That's easy. Not a reason under the sun or anywhere else.

Mr. Carnegie in testifying before the Congressional Investigating Committee expressed his pleasure in getting ahead of John D. Rockefeller in an iron ore deal. It would do the rest of us much good too if we could merely get even with John D. for the price of oil he forces us to

For Sale Several good Building Lots fronting 95 feet on South Barbara Street, Mount Joy and extending in depth of that width 154 feet. There is a good stable on these lots that could very easily be converted into a double dwelling. For further particulars apply to Lewis Seeman, Mount Joy

Trees to do their best should be planted in blocks or groves rather

than in single rows. Ascertain the varieties of fruits and vegetables wanted in the markets desired to be patronized.

If there are any limbs dead or out of shape on the young trees now is a good time to look after them. Grow trees for post timber, lumber, nuts, fruits, as well as evergreens and ornamental for the home

grounds.

Bend all young and tender fruit bushes and vines carefully to the ground place a layer of straw on them, and cover lightly with dirt.

It is reasonably certain that any usiness man who runs a diversia store can clear from \$1,000 to \$2,-000 a year, keep up his place in country home. He also will gain considerably in the appreciation of the land, and he has always the satis-MT. JOY, PA. faction of knowing that his investnent is perfectly safe.

On the subject of hauling manure rofessor Gilmore of the New York experiment station says: "We think ed the old Mooney Hotel, adding a all things considered, it is better to number of sleeping rooms, bath, etc. haul the manure directly from the stable to the fields than it is to pile it up for any length of time. If well rotted manure is devised for truckn connection with hotel where he ing purposes or for top dressing for hay lands, then it must be stored but under ordinary conditions for this purpose losses from 25 to 45 per cent, in the fertilizing value of manure occur, and if it is not kept reasonably wet and stirred from time to time, excessive fermentation results, to say nothing of dry burning and leaching. Losses amounting to from ♦♦♦♦♦♦♦♦♦♦♦♦♦♦♦♦♦ 35 to 57 per cent. have been recordto weather. This loss refers mainly to the fertilizing material in the manure. It is still available as hu-

More attention must be paid to the scientific enrichment of our soil. It will not do to take everything off and put nothing back. Our farmers are realizing the necessity of proper and adequate fertilization, of proper rotation and thorough tilling their | Tressler. fields. In foreign countries-where more attention has been given to soil enrichment than anywhere else-it has been demonstrated that the best | Habecker. results are obtained by thoroughly CHAS. H. ZELLEB fertilizing all the land. This can be accomplished by broadcasting the fertilizers on the land and then working them thoroughly into the soil at Mount Joy the time the land is prepared for the Newcomer, adn. seed. The main difficulties have alling and Clerking of Public Sales been to get a machine that would scatter the fertilizers evenly over the ground no matter what kind of a fertilizer was sown. The chief obstacle has always been the fertilizer. Some of it is pasty and sticky, other varieites are lumpy, and some like powder. The fertilizer sower to be success must be able to successfully handle all these various commercial fertilizers.

Your Lungs and Throat.

The preparation mentioned by the Rev. Chas. Sager has been for over sixty years of nealculable worth to sufferers from consum-

monary troubles. At this point I will say to you what you have not before known of; that 42 years since, while I was a resident of N.Y. City, I was a consumptive and my family physicians said I was a consumptive and my family physicians said I was a consumptive and my family physician told my wife that he thought I could not recover. My attention was directed to the Wilson Keniedy, which I used with splendid effect. I have been on my feet and at work ever since my cure. Yours truly, REV. CHAS. SAGER,
Pastor M. E. Church, Hunter, (Greene Co.,) N.Y.
