THE MASONIC HOME

Little Progress Has Been Made on Project During Winter

No progress has been made during the past two months on the work of erecting the testimonial building, being erected by the Blair County Masons on the grounds of Masonic home at Elizabethtown, owing to the cold weather. The work has proceeded as far as the corners, but most of the work yet remaining is to be done with concrete and this cannot be done while the weather is so extremely cold.

Just as soon as it becomes a little warmer work will be resumed and it is expected that it will be completed early in May, when it will be dedicated. The work on the main structure on the grounds has also been held up during the winter.

Those who have charge of the work of beautifying the grounds have been urging the architects and contractors to push along the building operations, so that they might begin their work of grading, laying road-ways, setting out trees, hedge fences and plants of various kinds when spring comes.

Medill McCormick says Mr. Taft and his supporters are bent on suicide or murder. Some indictment, that.

Resigns His Position

The Daily Record of Mahanoy City Pa., of Monday says: "Mr. W. S. Ricker, manager of the Kirby store, on West Centre street, has tendered his resignation to take effect on April 1st, it being Mr. Ricker's intention to start a chain of 5c. to 25c. stores for himself."

It is his intention to open a store at Lehigh. Mr. Ricker is a brother of Mr. S. A. Ricker of this place. The latter expects to leave here about April 1st and will join his brother and assist in opening the new store. Success to both of you are the wishes of their many friends.

A Young Cyclone.

A storm of exceptional violence passed over this section last Wednesday night. Chimneys were blown down, trees torn out by the roots, and many buildings were damaged. A large stack at the Farmers' Creamery was blown down. At Landisville S. N. Mumma's frame tobacco warehouse 60 by 120 was badly damaged and his new brick warehouse across the street was unroofed and part of its wall was blown down. A large warehouse owned by Mr. Levy at Salunga, was also partly destroyed. Many farm buildings thruout this neighborhood were also more or less damaged.
