EDITORIALS

The LaFollette managers were undoubtedly wise to advise their champion to try the silence cure.

Governor Wilson declares he has had a most restful time in Kentucky. Still, Watterson is not there.

If this Administration can convict and imprison the Bathtub Trust it will get the solid hobo vote, anyway.

Mr. Roosevelt may recognize Mr. Bryan's 'money trust' as an oratorical synonym for 'predatory wealth.'

Jim Jeffries has not lost interest in prize fighting to such a degree as to keep him out of the conservation.

Robert LaFollette has already made enough speeches to enable his boom to run for a time without his personal attention.

What's the matter with Gen. Grover? He hasn't come out with any figures yet showing who will be nominated next summer and elected next fall.

Aren't the friends of Mr. Taft assuming a fearful responsibility in dragging the moving picture into politics? It may be well enough to present the President signing the Arizona proclamation or Private Secretary Hilles personally conducting the affairs of the nation.

Samuel Birely was the only applicant examined for the vacant postmastership at Falmouth and he will receive the appointment.

SAVED FROM AN OPERATION

How Mrs. Reed of Peoria, Ill., Escaped The Surgeon's Knife.

Peoria, Ill.—"I wish to let every one know what Lydia E. Pinkham's Vegetable Compound has done for me. For two years I suffered. The doctor said I had a tumor and the only remedy was the surgeon's knife. My mother bought me Lydia E. Pinkham's Vegetable Compound, and today I am a well and healthy woman. For months I suffered from inflammation, and your Sanative Wash relieved me. I am glad to tell anyone what your medicines have done for me. You can use my testimonial in any way you wish, and I will be glad to answer letters."—Mrs. CHRISTINA REED, 105 Mound St., Peoria, Ill.

Mrs. Lynch Also Avoided Operation.

Jessup, Pa.—"After the birth of my fourth child, I had severe organic inflammation. I would have such terrible pains that it did not seem as though I could stand it. This kept up for three long months, until two doctors decided that an operation was needed.

"Then one of my friends recommended Lydia E. Pinkham's Vegetable Compound and after taking it for two months I was a well woman."—Mrs. JOSEPH A. LYNCH, Jessup, Pa.

Women who suffer from female ills should try Lydia E. Pinkham's Vegetable Compound, one of the most successful remedies the world has ever known, before submitting to a surgical operation.

Annual Meeting of Motorists The Lancaster Automobile Club will have its annual meeting and election of officers in the rooms of the Chamber of Commerce at Lancaster on Friday evening, March 15.
