HOW WEAK WOMEN

May Be Made Strong at Small Expense and No Risk

There are hundreds of women in this vicinity, weak, thin, run-down, tired out and nervous. Such women need Vinol just as much as did Mrs. Jane Pepper, of 2307 Howard street, San Francisco, Cal., who says:

"I have used Vinol for some time with particularly gratifying results. I was run down, weak and debilitated, and my appetite was gone. After taking several bottles of Vinol I found my condition greatly improved, and do not hesitate to recommend Vinol to anyone similarly affected."

Vinol is not a secret nostrum, but a delicious cod liver and iron tonic without oil, which will create an appetite, tone up the digestive organs, make pure blood and create strength.

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you.

E. W. GARBER, Mt. Joy, Pa.

There is very little difference between a prisoner and an automobile owner—both are known by their numbers instead of by their names and are always an object of suspicion among the police.

What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, constipation, indigestion, or dyspepsia. "Heart-burn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness, torpid liver with indigestion, or dyspepsia. Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at these will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine, of proper strength, from the roots of native American medicinal forest plants.
