A Stitch in Time Saves Nine

Now is the time to have your auto adjusted and have it in shape for the summer's run. Expensive breaks often occur on account of a loose screw or some part being worn which should be replaced. By having this done you will not only save money but will also save trouble.

We are also in position to paint your car. By having this done it will look practically as good as new.

We have both phones and will be glad to give you our assistance when needed.

Have you seen the

1912 Magic Electric Cleaner

as yet? If you have not, it would be advisable to see it work, before you buy any other make of electric cleaner. Have you heard of an electric cleaner which sells at the same price or begins to do the amount of work of the "MAGIC," which is guaranteed for five (5) years?

Let me demonstrate the machine to you and it will show you things that you never before would have believed. Why not make house cleaning a pleasure instead of DRUDGERY?

For Women Who Care

Of course you use an antiseptic in your family and in the care of your own person, and you want the best.

Instead of what you have been using such as liquid or tablet antiseptics or peroxide, won't you please try Paxtine, a concentrated antiseptic powder to be dissolved in water as needed.

Paxtine is more economical, more cleansing, more germicidal and more healing than anything you ever used.

Paxtine

ANTISEPTIC

In the toilet—to cleanse and whiten the teeth, remove tartar and prevent decay. To disinfect the mouth, destroy disease germs, and purify the breath.

To keep artificial teeth and bridgework clean and odorless. To remove nicotine from the teeth and purify the breath after smoking. To eradicate perspiration odors by sponge bathing.

As a medicinal agent for local treatment of feminine ills where pelvic catarrh, inflammation and ulceration exist, nothing equals hot douches of Paxtine. For ten years the Lydia E. Pinkham Med. Co. has been regularly advising their patients to use it because of its extraordinary cleansing, healing and germicidal properties. For this purpose alone Paxtine is worth its weight in gold. Also for nasal catarrh, sore throat, inflamed eyes, cuts and wounds. All druggists, 25 and 50 cents a box. Trial box and testimony of 31 women free on request.
