EDITORIALS

Delegates are in demand.

Solitude has fled shrieking from Oyster Bay.

"Big smash in eggs"—but in prices, not shells.

Many a man can't afford to dress well because his wife does.

Colonel Bryan acts like a man who expects to have a bully time.

As Spring comes by to open door the cry goes ringing: "What's the score?"

March should do something original instead of trying to imitate February.

We suppose that the word "strenuous" will now recede into the background.

Sarah Bernhardt's annual farewell tour will be played in vaudeville next season.

Nobody dropped dead with surprise when the Colonel said he was a candidate.

This long drop in the price of eggs indicates that the hen has faith that spring is near.

"The sound of the hammer begins to ring throughout the land," in nailing campaign preparations, yes.

Just about the time a man begins to think he is acquainted with his wife she begins to act strangely.

Shelby Culom's candidacy for the Senate has upon it the taint of that vote to keep Lorimer in his seat.

While Congressmen are investigating the Money Trust, will they please tell where is our per capita \$37?

Candidate Senator Cummins is now looking for the fellow who invited him in because the water is fine.

"Uncle Joe" Cannon is occupying a conspicuous niche in the gallery of the once great who are now never quoted.

Chicago reports the marriage of Miss Annie Rooney. No doubt her bridesmaids were two little girls in blue.

Mr. LaFollette begins to feel like the small boy whose large red apple was taken away from him by the big fellows.

New York women who are afraid of holdup men are wearing imitation jewels. Also some who are not afraid of holdup men.

If they don't stop using so many straws for the taking of votes, there'll certainly be a shortage of hats this spring.

Recent events in New York Police circles rendered it difficult to decide whether chauffeur is a training school or a profession.

In Missouri they are offering prize for the discovery of the author of the "Houn Dawg Song." Probably they won't catch him, however!

It will be noted that those rash Mexicans who went up against that beef trust ranch are now impressed with the remarkably high cost of living.

"It rarely ever gets cold enough in Alabama for one's breath to turn foggy," an Alabama contemporary asserts. It takes a pretty low temperature to effect alcohol that way.

Representative Victor L. Berger of Wisconsin, the only Socialist Congressman, says that his solution of the present situation in this country is to spend \$12,000,000,000 in buying out the trusts. We are perfectly willing that Congressman Berger should buy them if he will give bond and security in twelve times the amount that he won't become a trust himself.

MOTHER OF LARGE FAMILY

Tells How She Keeps Her Health—Happiness For Those Who Take Her Advice.

Scottville, Mich.—"I want to tell you how much good Lydia E. Pinkham's Vegetable Compound and Sanative Wash have done me. I live on a farm and have worked very hard. I am forty-five years old, and am the mother of thirteen children. Many people think it strange that I am not broken down with hard work and the care of my family, but I tell them of my good friend, Lydia E. Pinkham's Vegetable Compound, and that there will be no backache and bearing down pains for them if they will take it as I have. I am scarcely ever without it in the house.

"I will say also that I think there is no better medicine to be found for young girls. My eldest daughter has taken Lydia E. Pinkham's Vegetable Compound for painful periods and irregularity, and it has helped her.

"I am always ready and willing to speak a good word for Lydia E. Pinkham's Vegetable Compound. I tell every one I meet that I owe my health and happiness to your wonderful medicine."

—Mrs. J. G. JOHNSON, Scottville, Mich., R.F.D. 3.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotics or harmful drugs, and today holds the record of being the most successful remedy for women known.

I always have on hand anything in the line of Smoked Meats, Ham, Bologna, Dried Beef, Lard, Etc.

Also Fresh Beef, Veal, Pork and Mutton. Prices always right.

The public roads are in a deplorable condition and unfit for travel, and law suits have been threatened in some places by the taxpayers. As there is quite a large sum of money on hand in the treasury of the road supervisors of Rapho township we would recommend early repairs of public highways to the satisfaction of taxpayers and avoid possible trouble by legal proceedings.
