

Sick Women

When shown positive and reliable proof that a certain remedy had cured many cases of female ills, wouldn't any sensible woman conclude that the same remedy would also benefit her if suffering with the same trouble?

Here are five letters from southern women which prove the efficiency of Lydia E. Pinkham's Vegetable Compound.

LETTER FROM VIRGINIA.

Elliston, Va.—"I feel it my duty to express my thanks to you and your great medicine. I was a sufferer from female troubles and had been confined in bed over one third of my time for ten months. I could not do my housework and had fainting spells so that my husband could not leave me alone for five minutes at a time."

"Now I owe my health to Lydia E. Pinkham's Vegetable Compound and Blood Purifier. Whenever I see a suffering woman I want to tell her what these medicines have done for me and I will always speak a good word for them."—Mrs. ROBERT BLANKENSHIP, Elliston, Montgomery Co., Va.

LETTER FROM LOUISIANA.

New Orleans, La.—"I was passing through the Change of Life and before I took Lydia E. Pinkham's Vegetable Compound I was troubled with hot flashes, weak and dizzy feelings, backache and irregularities. I would get up in the morning feeling tired out and not fit to do anything."

"Since I have been taking your Compound and Blood Purifier I feel all right. Your medicines are worth their weight in gold."—Mrs. GASTON BLOUDET, 1541 Polynonia St., New Orleans, La.

LETTER FROM FLORIDA.

Wauchula, Fla.—"Some time ago I wrote to you giving you my symptoms, headache, backache, bearing-down, and discomfort in walking, caused by female troubles."

"I got two bottles of Lydia E. Pinkham's Vegetable Compound and a package of Sanative Wash and that was all I used to make me a well woman. I am satisfied that if I had done like a good many women, and had not taken your remedies, I would have been a great sufferer. But I started in time with the right medicine and got well. It did not cost very much either. I feel that you are a friend to all women and I would rather use your remedies than have a doctor."—Mrs. MATTIE HODNOT, Box 406, Wauchula, Florida.

LETTER FROM WEST VIRGINIA.

Martinsburg, W. Va.—"I am glad to say that Lydia E. Pinkham's Vegetable Compound has done wonders for my mother, daughter and myself."

"I have told dozens of people about it and my daughter says that when she hears a girl complaining with cramps, she tells her to take your Compound."—Mrs. MARY A. HOCKENBERRY, 712 N. 3rd St., Martinsburg, W. Va.

ANOTHER LETTER FROM VIRGINIA.

Newport News, Va.—"About five years ago I was troubled with such pains and bloating every month that I would have to go to bed."

"A friend told me to take Lydia E. Pinkham's Vegetable Compound and I soon found relief. The medicine strengthened me in every way and my doctor approved of my taking it."

"I will be glad if my testimony will help some one who is suffering from female weakness."—Mrs. W. J. BLAYTON, 1029 Hampton Ave., Newport News, Va.

Why don't you try this reliable remedy?

The Week in Grain

Compiled for the Mount Joy Bulletin, at Mount Joy, Pa., by Wm. L. Bear & Co., Pennsylvania Building, Philadelphia, Pa., by D. B. Lehman, Manager, Woolworth Building, Lancaster, Pa.

Phila., Pa., March 25, 1912. While the many sharp breaks in price at the end of last week has served for inertia and sluggish price movements, the undertone has been strong and a fair upward movement accomplished, with the highest trading level reached the final day of the week. Much of the impetus has been borrowed from coarse grains which have strengthened materially under continued snows and rough weather over the west. On the other hand foreign markets have been inclined to weakness, more liberal clearances from the Argentine the most important factor. Our own export inquiry has improved, with fair sales especially of Manitoba's to Liverpool and Antwerp. The domestic cash inquiry while modest, has kept pace with the advance, the heavy arrivals to primaries early in the week altho largely in excess of shipments, adding nothing to visible stocks.

In a trading way, the net result of the week is hard to determine. There has been a fair degree both of liquidation and short covering, and the open interest is probably smaller than a week ago. There has been fair commission house inquiry, but largely limited to periods of weakness, with the price range too narrow to permit of a large volume. Sentiment in professional channels is against the price, but activity in this direction has not been effective. On the whole we regard the situation as healthy, and favorable to further advances.

For Women Who Care

Of course you use an antiseptic in your family and in the care of your own person, and you want the best. Instead of what you have been using such as liquid or tablet antiseptics or peroxide, won't you please try Paxtine, a concentrated antiseptic powder to be dissolved in water as needed. Paxtine is more economical, more cleansing, more germicidal and more healing than anything you ever used.

In the toilet—to cleanse and whiten the teeth, remove tartar and prevent decay. To disinfect the mouth, destroy disease germs, and purify the breath. To keep artificial teeth and bridgework clean and odorless. To remove nicotine from the teeth and purify the breath after smoking. To eradicate perspiration odors by sponge bathing. As a medicinal agent for local treatment of feminine ills where pelvic catarrh, inflammation and ulceration exist, nothing equals hot douches of Paxtine. For ten years the Lydia E. Pinkham Med. Co. has been regularly advising their patients to use it because of its extraordinary cleansing, healing and germicidal power. For this purpose alone Paxtine is worth its weight in gold. Also for nasal catarrh, sore throat, inflamed eyes, cuts and wounds. All druggists, 25 and 50 cents a box. Trial box and testimony of 31 women free on request.
