## Good For Business

It is estimated that the hobbie skirt has doubled the number of women's shoes sold in the world. They have to take two steps now where they took one before, and that means the shoes wear out twice as fast.

After praying for forty years for a baby a New Jersey couple put a small want ad. in a newspaper and that same night a bouncing boy was left on their doorstep. Prayer is all right. If you are not in a hurry, but for quick result use printer's ink.

## DELICATE CHILDREN

Made Strong by Vinol

"I wish I could induce every mother who has a delicate, sickly child, to try our delicious cod liver oil tonic, Vinol."

"It restored our little daughter to health and strength after everything else had failed. It tastes so good she loved to take it—not a bit of cod liver oil taste.—Mrs. C. W. Stump, Canton, Ohio."

The reason Vinol is so successful in building up puny, delicate, ailing children, is because it is a combination of the two most world-famed tonics—the medicinal body-building elements of cod liver oil, aided by the blood-making and strength-creating properties of tonic iron.

If we can induce you to try a bottle of Vinol as a body-builder and strength-creator for your child, and you do not find it is all we claim, we will return your money on demand.
