THE TALBOT STORES
What They Mean to the People of a Community
With the cost of living soaring higher every year and when even necessities are becoming luxuries for many families an establishment like the Talbot Stores, at 154-158 North Queen St., Lancaster means a great deal to the community.
The Talbot Stores is a regular department store. You can buy all sorts of articles, such as hardware, notions, jewelry, household articles, things to wear, articles of everyday use, and owing to the immense purchases which this store makes, prices are lower and quality is higher than you expect.
But best of all, no matter what price the article is you can buy it either for cash, or for trademarks from B. T. Babbitt's products. Ten Babbitt Trademarks equal 5 cents; 20 Babbitt Trademarks equal 10 cents; 50 Babbitt Trademarks equal 25 cents and so on, but only at the Talbot Stores.
Suppose baby needs some new things shoes, stockings, cap or even Taleum Powder. Your Babbitt Trademarks buy just what you want.
Or if brother needs school supplies or has been promised a ball and bat Babbitt Trademarks buy them.
Sister likes jewelry and pretty ribbons. Babbitt Trademarks buy them. Father needs hardware to fix things around the house or some tools for the garden or some paint for the house; Babbitt Trademarks buy them.
Or if the family is down town for a "look around" and a glass of soda is proposed the inviting soda fountain at the Talbot Stores and your Babbitt Trademarks will buy cool, refreshing soda water or sundaes for everybody.
Any number of women are shopping at the Talbot Stores regularly each week just as they used to do at other stores, but instead of peddling a purseful of money they simply bring in the Babbitt Trademarks they have saved, and which are just as good as cash, for any article, no matter what the price.
All the progressive grocers of Pennsylvania are displaying Babbitt's products, the famous old reliable kind.

Resolutions of Respect

Whereas God has again sent His death angel and removed from our midst the late Mrs. John Guhl, and Whereas the relation held by her through this branch of the church render it proper that we should place on record our appreciation of her service as a member of the Home Department of the United Brethren Sunday School at Florin, that while we do mourn the loss of our sister, we commend her to God's keeping, who we know is able to preserve us all through the endless ages of Eternity.

Resolved, that in the death of Mrs. John Guhl we lose a sister who was faithful and seemed to enjoy the work of the Department and who we believe has tried to prepare herself for the great call of God from time to Eternity.

Resolved, that this organization tender its heartfelt sympathy to the family and relatives of our deceased sister in this their sad affliction.

Resolved, that these resolutions be entered upon the minutes of the Sunday School and inserted in the Conference Herald and the Mount Joy Bulletin and that a copy be sent to the family of our deceased sister.

Ends Hunt for Rich Girl

Often the hunt for a rich wife ends when the man meets a woman that uses Electric Bitters. Her strong nerves tell in a bright brain and even temper. Her peach-bloom complexion and ruby lips result from her pure blood; her bright eyes from restful sleep; her elastic step from firm, free muscles, all telling of the health and strength Electric Bitters give a woman, and the freedom from indigestion, backache, headache, fainting and dizzy spells they promote. Everywhere they are woman's favorite remedy. If weak or failing try them. 50c at S. B. Bernhart & Co's.

Children's Day Exercise

The Children's Day exercises of the Methodist Episcopal Church were held both morning and evening. In the morning Rev. Dungan gave a very interesting illustrated sermon in the way of a "chalk-talk." The subject was "Our S. S. Vine."

Souvenirs of the occasion were presented to all present. In the evening the S. S. rendered a very pleasing and finely rendered program to a large audience. The services throughout the day were not only appropriate, but helpful, and will long be remembered for their uplifting character.

Move on Now!

says a policeman to a street crowd, and whacks heads if it don't. "Move on now," says the big, harsh mineral pills to bowel congestion and suffering follows. Dr. King's New Life Pills don't bulldoze the bowels. They gently persuade them to right action, and health follows. 25c at S. B. Bernhart & Co's.

For Better or Worse

Harry L. Ebersole of Mount Joy township, and Emma R. Gruber of Dauphin county, were granted a marriage license.

Most diseases have to run their course and the world will probably never get better till it gets a whole lot worse.

Some day—perhaps—the broken political promise will mean that the promoter's business word is at a discount.
