> Let People Know About It A merchant may have an ideal stock of goods, selected with good judgment, offered at low profits. But if he does not take pains to tell ber that he is doing business when

they have anything to buy. On the other hand, a merchant may select his stock with poor dinate profit for himself. But if he his store will be thronged with buy- about.

light under the bushel of business reticence. People don't seek out the man who has goods to sell.

An advertisement giving your name, place of business, and a few general facts about your line will follows: be useful. It will remind people of your existence, and the impression will turn the footsteps of a good farmer in each county, yet I am not many to your store.

The advertisement can be made infinitely more effective, however, by taking a few definite leaders, and concentratinng attention on them. Describe them just as you interest people.
