The Week in Grain Compiled for the Mount Joy Bulle-a, at Mount Joy, Pa., by Wm. L. Bear & Co., Pennsylvania Building, Philadelphia, Pa., by D. B. Lehman, Manager, Woolworth Building, Lan-

caster, Penna Phila, Pa., July 8, 1912. The serious situation which confronted the spring wheat crop on both sides of the line during last week was entirely dispelled by the timely rains over last Sunday and contributing influences have been more of a favorable nature thereby ----producing a market with declining prices. The contentions that Spring Wheat deteriorated during the period of dry weather with high temperatures does not seem to be borne out by observation. A private estimate places the condition of Spring Wheat but slightly below the June 1st percentage, the loss being e en less than the average, and also holds that Winter Wheat has improved. The latter days of the week brough expressions from the Winter Wheat states now in harvest that the rains which originated over the northwest Horses; had extended to the southward, thus stables. Come in Tomorrow==Early==and Pick Any Suit, Overcoat or Trousers at Just One-Half Price

We have decided to discontinue our Men's and Boys Clothing Store. You know what that means-EVERYTHING MUST BE SOLD, regardless of cost. Nothing in stock reserved Blue serges, blacks all the smart Spring and Summer Suits in novelty and staple fabrics.

PLEASE NOTE: That this event is not to be confused with "sales" such as have become common. This is a genuine closing out sale of REGULAR, reliable, high-grade merchandise, no "special" purchase of manufacturers' left overs, but a bona fide sale of the famous Kirschbaum hand tailored clothes at one-half price.

Of course, there is always a reason for everything; our reason for discontinuing this department is we must have room for our fast growing Women's Ready-to-Wear Section. We intend to make this second floor the finest Women's Apparel Shop in Lancaster-to do this we MUST DIS-POSE of our MEN'S WEAR. Hence this tremendous ONE HALF PRICE SALE.
