Some Wheat Crop

Mr. Samuel H. Tressler, tenant on one of the Cameron farms at Donegal, has just finished threshing his wheat crop. From 125 acres he received 3,700 bushels of wheat, an average of nearly 30 bushels to the acre. Half of this product will be delivered to Brandt and Stehman here, and the balance to E. S. Moore at Florin. From 60 dozen sheaves he threshed 48 bushels of wheat and got two tons and 1,600 lbs. of straw. From this enormous crop Mr. Tressler baled 100 tons of straw which he has for sale.
