NATURE'S LAWS.

Nature's laws are perfect if only we obey them, but disease follows disobedience. Go straight to Nature for the cure, to the forest; there are mysteries there, some of which we can fathom for you. Take the bark of the Wild-cherry tree, with mandrake root, Oregon prape root, stone root, queen's root, bloodroot and golden seal root, make a scientific, glyceric extract of them, with just the right proportions, and you have

DOCTOR PIERCE'S GOLDEN MEDICAL DISCOVERY.

It took Dr. Pierce, with the assistance of two learned chemists and pharma-

cists, many months of hard work experimenting to perfect this vegetable alterative and tonic extract of the greatest efficiency. Mr. C. W. Pawley, of Millville, Calif., writes: "I wish o tell you that I have used your 'Golden Medical Discovery'n my family for twenty years. We have had a doctor called n but once during that time. I have a family of ten children, all well and hearty, for which, to a great extent, we owe hanks to you and your 'Golden Medical Discovery' and Pellets,' which we use when sick."

Dr. Pierce's Pleasant Pellets regulate and invigorate SOLD BY ALL DRUGGISTS.

Satisfied FARM BUYERS

If you will go to see every one of the Lancaster County people to whom I sold Lebanon Valley farms you will find that not one of them will sell at a profit of \$1000 00. Many of them have had profits offered them of over \$1000:

This is also true with all my customers from Chicago, Pittsburg, Philadelphia, and other places.

Write me what kind of a farm you want to buy and I will send you a list by return mail, giving complete descriptions, locations, and prices. Do it now. Early buyers usually get the best bargains.

Arrangements will be made to show you the farms.

FOR SALE-7 ACRES, with all improvements, 2 miles from Lancaster. Write for full description and price.

Rose and the

By KATHERINE COOPE

Lily

Derek sank wearily into the big dawn of another day. chair in whose ample arms there usually lurked contentment and abiding peace. Not so tonight. In fact, Derek found himself inclined Lily walking arm in arm. to hurl brief, unflattering epithets at himself and the world in general.

A few hours before, Derek Vane greeting, dressed with unusual care and had journeyed forth, with flowers and candy, to the home of Lily Randolf. Once there, Vane had intended to take the fair, delicate lily within his arms and tell her that he could not live without her.

But alas! when the moment of without her. He realized, not without a sense of his own inferiority, me. that Lily's white, unemotional beauty failed in some way to meet his demands

He had, at times, during the contentment of his evening with her, longed for something stirring to hap-He wanted to feel active and vital and strong. Instead, Derek experienced a sense of monotony at the unruffled hour. He recognized, with a sense of shame, that Rose Davenport would liven things

So he had gone from Lily's presence with a knowledge of his own unstable affections.

"I am a vacillating, blow-hot and blow-cold, cad," he told himself, and felt slightly better and sufficiently at peace with the world to light his

"After all-perhaps Rose is the girl for me," Derek blew a cloud of smoke and in it he watched a face hair and the eyes that looked back at him were glowing with the lure of life. Derek blew another cloud of smoke and the figure of Rose, vital and palpitating with the very joy of living, danced before him.

"I Could Not Be Happy With Either." want to?"

whimsically. "I will tell Rose of my most anything you wanted her to." love tomorrow evening."

And on the morrow he again went Rose Davenport received him in a

most ravishing costume of scarlet. Her eyes were sparkling and her red lips curled in smiles. Derek knew the moment he touched

her hand that it would not be hard to propose to Rose. She would, in fact,

They had been together for perhaps an hour when Vane was conscious of a desire to escape. He felt ill at ease. With her vital emotions and lack of something that afforded a moment's forcefully awake. Derek longed for a moment's respite in which to collect

his scattered forces. Lily would, with only a few words, set his soul at rest, and bring contentment. But Rose was before him. Later in the evening when he sank down into the soft depths of his big had not proposed to Rose.

Derek smiled half despondently. "Perhaps if I toss a coin it will

moments as well? No. That he had | ... proven. She was the embodiment of energy and unrest.

"Oh for the right woman!" he sighed with heartfelt regret. He dropped off to sleep then to dream of the happy medium-the girl who could combine all necessary characteristics in a perfect whole.

"I wonder if she exists?" was his waking thought when he arose to the He was on his way to the railway

station to meet two chums from the west when he overtook Rose and the "And where are the fairest of flow-

ers going?" he asked by way of "To meet a still fairer flower." they told him in unison. "Violet Gray, by

"I like the name," laughed Vane. "You will like the girl even better,"

Lily told him. "We call Violet 'our happy medium," Rose informed him with an "She is going to spend a week with

"And a week with me."

"Perhaps I may meet her," laughed erek. "I am expecting Ted Weyburn and Jimmy Rogers on the three-

"Lovely!" chimed both girls. "I see where I get left out," sighed

"We have decided that you and Violet must fall in love," Derek was in-When Violet Gray turned from her

chums Derek was almost guilty of forgetting Ted and Jimmy. When he had greeted them he turned quickly to Violet Gray and took her light

He addressed the amused quartette. The addressed the amused quartette. 'Miss Gray and I must get acquaint-

Derek knew when he was walking for the first time beside the slim girl in Puritanical garb that he had found the right woman. Her eyes develop. It was a face that was were not Puritanical nor were the framed in a tangle of red brown soft curves of her line but her votce soft curves of her lips, but her voice was soft and sweet and calm. "You have come just at the right

moment. Something underneath the banter made Violet look up at him.

"The right moment? And what Derek watched the smoke float awful thing would have happened away in the distance and his vivid if I had not come?" she inquired, suming the guise of mockery "I would have married the wrong

girl," Vane told her.

Violet cast a quick glance at him; then her lashes fluttered down against the color that was creeping stealthily into her cheeks. "Yes," went on Derek, while he

gloried in the beauty of the third flower, "for the last five years have been seeking for the right girl." "I judge," Violet said, determined not to let this big man overcome her at their first meeting, "that you

"Yes." Vane's voice and eves were serious. "She is a happy medium between two girls whom I thought could make me happy. There is no one now who could make me happy but this one girl, and I am going to spend the next two weeks teaching her that she cannot live without me." Derek finished with a half laugh, but Violet caught her breath. The laugh had strengthened the man's words. "At the end of two weeks I am going to tell her I love her and ask her please to get together the thin a trousseau." Vane forced Violet's right now that I was brought up every eyes to meet his own. "Have you any idea as to whether or not she will do as well as your mother ever did."

Violet tried not to look at him; imagination pictured a lily becoming tried to dispel the power by which he less than naught as it melted from was claiming her. She only succeeded in saying half breathlessly. "It looks "Rose and the lily," he smiled just a little as if the girl would do

NO ATTRACTION TO BEHOLDER

Appearance of Average English House Forbidding in the Extreme, According to Writer.

They do these things better in the dog, known as Peg Post. He is also new countries. They do not make a of an ochre tint, and his mysterious fetish of space or preserve it at any behavior has baffled the wisest sleuths sacrifice. A house is allowed to spread in the station. When the men begin itself a bit, even if it is one of a row: it has a gate of its own leading to the back-to the pleasant garden or "back yard." Colonial houses look human: rest to the nerves, Rose kept him too they suggest that human creatures live in them, writes Sybil Carmack Smith, in an exchange. Open windows give glimpses of fluttering curtains and of With deep chagrin he knew that the cheerful appointments of the rooms within, even of the people who live in those rooms. Verandas with chairs, a book or a worktable are evidences of the life of the place. Open tidbits from the men's lunches have doors speak of the same thing, and of chair it was with a sigh of relief. He the cheerful hospitality which awaits been repeatedly refused by Peg Post one within. The houses come to meet, and his agility has thus far prevented any one from learning the number of "I could not be happy with either you-you do not need to approach Rose or the Lily, but with both." them as one would the gates of a

prison. "What is the use of sunshine in Engtell me which one I love." Under land? On these lovely April mornings front to the world as they did in tory," said the hotel clerk, "but balk Vane had looked for the right dreary November; none of the beauty more especially did he crave it in timistic enough to make the best of it.

These English houses are very solid, His association with Lily Randolf of course; they stand in rigid blocks had always given him a sense of as if they could defy the centuries, contentment. He felt now that with and as if they did mean to defy every her he would have been moderately one who looked at them.
