Horses—Tomato Growing—Other
Notes.

A hog doesn't object to most any kind of dirty water to wallow in, but when it comes to his insides it would prefer to have it fresh.

Either beans or potatoes make an excelle, crop to grow in the young orchard, nd the thorough cultivation in they receive furnishes the best possible condition for the growing trees.

The old theory that thunder, the mere noise, sour milk has been exploded. It has been found that the rapid souring of milk during a thunderstorm is due to the effect of the electricity in the air upon the myrlads of bacteria which the fluid contains, it having the effect to make these small organisms very vigorous and active.

There is nothing produced on the farm that is more delicious and fragrant than sweet, clean milk and its products, cream and butter, and on the other hand, nothing more rank or odious than these same products if they are dirty and full of purefactive bacteria. To produce the company and the containing of improving and rebuilding the practice or jurisdiction of, or changing the rules of evidence in, any nucleal proceeding or inquiry before on the improvement of the highways of the Commonwealth of Pennsylvania, authorizing the State to issue bonds to the amount of fifty millions of dollars for the improvement of the highways of the Commonwealth.

Section 1. Be it resolved by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met. That the following amends and the same to the Commonwealth of Pennsylvania in General Assembly met. That the following amends are the constitution of the Commonwealth of Pennsylvania in General Assembly met. That the following amends are the constitution of the Commonwealth of Pennsylvania in General Assembly met.
