DR. KING'S Adolph Schingeck, Buffalo, N. Y. 25 CENTS PER BOTTLE AT ALL DRUGGISTS.

Well Bred Stock Affords the Most Profit and Pleasure-Does it Pay to Raise Hogs-The Fertilizing of Poultry. The Weed Question.

More than half these farms have patches of Canada thistles. the average of which reaches the surprising area of more than five and prising area of more than five and one half acres per farm. Wild mustard exists on 112 of these farms to an average extent of twenty and one and average extent of twenty and one and the control of the constitution of Pennsylvania, so as to permit special legislation regulating labor. Section 1. Be it resolved by the Senate and House of Representatives of the Commonwealth of Representatives of the and acreage extent of twenty and one and noise of the proposed as an amendment to the Congress and proposed as half acres per farm. A weed census far as we know; but the Wisconsin census indicates that one acre in every twenty in that state is seriousAmendment to Article Three, Section
ly infested with noxious weeds. A ly infested with noxious weeds. A

huge loss in land, in labor and in produce.

The method used by most of the Constitution of Pennsylvania, which reads as follows:—

"Section 7. The General Assembly shall not pass any local or special law authorizing the creation, extension, or impairing of liens:

"Regulating the affairs of countes, to feed the chickens in crates from troughs, according to information to the constitution of Pennsylvania, and an amendment to section three of article eight of the Constitution of Pennsylvania, and an amendment to section three of article eight of the Constitution of Pennsylvania, and an amendment to section three of article eight of the Constitution of Pennsylvania, and an amendment to section three of the Constitution of Pennsylvania, and an amendment to section three of article eight of the Constitution of Pennsylvania, and an amendment to section three of article eight of the Constitution of Pennsylvania, and an amendment to section three of article eight of the Constitution of Pennsylvania, and an amendment to section three of article eight of the Constitution of Pennsylvania, and an amendment to section three of article eight of the Constitution of Pennsylvania, and an amendment to section three of article eight of the Constitution of Pennsylvania, and an amendment to section three of article eight of the Constitution of Pennsylvania, and an amendment to section three of article eight of the Constitution of Pennsylvania, and an amendment to the Constitution of Pennsylvania, and an amendment to the Constituti Men's, Women's and fattening poultry in this country, is collected by the United States Department of Agriculture. From six to ten birds are placed in each division of the battery or feeding prise the best there is in shoes and should be considered when you purchase that next pair of Shoes.

All Kinds Repairing

Having modern machinery I am prepared to do repairing on short notice and at right prices. Give ment, and the cost of equipment and proper bird varies inversely with the number of birds in each division.

Another method which is used to a considerable extent on a small scale your next job and let me show you.

Commonwealth of Pennsylvania, in accordance with the provisions of the eight, which reads as follows: "Changing the venue in civil or crimchand cases:

"Changing the venue in civil or crimchand cases:

"Changing the venue in civil or crimchand cases:

"Authorizing the laying out, opening, strest or larges correlated to prove the laying out, opening, strest or alleys:

"Authorizing the laying out, opening, strest or laying to pening, strest or or larges cross or alleys:

"Authorizing the laying out, opening, strest or laying to the laying out, opening, strest or alleys:

"Authorizing the laying out, opening, strest or laying to pening, strest or or larges companies, streets or bridges companies, streets or laying the decitors, for maintaining roads, highways the elected at either a gencary or maintaining roads, highways the elected at either a gencary or maintaining roads, highways the elected at either a gencary or maintaining roads, highways the elected at either a gencary or maintaining roads in properties or bridges companies, streets or laying the election at large may be elected at either a gencary or maintaining roads, highways the elected at either a gencary or maintaining roads, highways the elected at either a gencary or maintaining roads, highways at elected at either a gencary or maintaining roa considerable extent on a small scale
in this country, is pen fattening.
This method is adapted for use on the farm where the farmer does not the farm where the farmer does not the farm where the farmer does not the farmer does

the present prices of corn and hogs, where the latter are fed out in a dry lot, this is an open question, but if we are to judge from the following experience, there's still money in hogs where they are on alfalfa pasture. There were eighty head on a fifteen acre alfalfa field throughout the whole season, and fifty pigs from late spring on until the pasture was killed by frost last year. The grain ration was a light to the process.
