## SALUNGA

Miss Clara Lehr spent Sunday with Minnie Eshleman.

Arthur Diefenderfer and family visited her brother near Penville.

Miss Martha Eby and her friend made a run to Pequea and McCall's on Saturday.

Mr. and Mrs. Samuel Eby spent Sunday at Lititz with his brother Ephram Eby.

Tobacco is curing nicely, and corn abundant. Why can we not be happy and content?

An umbrella was left in the ware house and can be had at the home of Oscar Weidman.

Mr. Levi Shuman attended the funeral of Mrs. Amos Shuman on Monday afternoon.

Mr. and Mrs. Elias Honberger on Sunday entertained two Keady families from Union Square.

Mr. and Mrs. Jonas Waltz, Mr. and Mrs. Brandt were Sunday visitors at Mrs. Susan Newcomer.

Mr. and Mrs. Jacob Herr spent Sunday afternoon with their son Christ who cut a two inch gash into his leg, while he was felling trees. He is getting along nicely.

Harry Shue of Wisconsin, Sheriff Harry, was a visitor at Dr. B. E. Kendig's this week. He visited the old stamping ground around Conestoga Centre and Safe Harbor. He and brother George as a token of Love for their mother donated one hundred dollars to the M. E. church of Safe Harbor and fifty dollars to the Reformed cemetery of Conestoga Centre where their parents grand parents are buried.

The Spelling Bee on Saturday night for a most worthy cause, the benefit of our Fire Co., was financially not a success. The threatening weather was a great drawback many fearing a storm did not attend. We fear such entertainments as our "village folks" can offer will become unpopular unless more care in carrying out the programme and greater attention is given to Hygienics. Eight o'clock is too late too begin work, and eleven o'clock too late for dismissal. Ventilation and heating should receive more attention that visitors suffer no inconvenience from attending.

## MASTERTONVILLE

Uncle Franklin Brubaker is now engaged in the "auto" business, having recently sold a Ford to one of our neighbors. Frank believes the Ford to be more serviceable for the price than any other car on the market.

Moderate temperature prevails again and the weather is very delightful. Seeding time and the farmers are taking advantage thereof. Some grain fields are nice and green, while others are still to be sown. One half of the corn is on the shock. Walnuts are plentiful and so are chestnuts.

Well! well the mass meeting held at Mastertonville by the Bull Moose adherents, turned out to be a Wilson rally and now some of the enthusiastic Roosevelt men are coming over to Wilson. One of the speakers of the evening could hardly refrain from mentioning Wilson's name in every sentence he uttered.

Abram Shelly pushed out his auto on Sunday morning, started the motor, swung around to main street and received on board his wife and family and Mr. and Mrs. Chas. G. Becker and son Charles Emerson. Then a very delightful trip took place. The iron horse was turned in the direction of Annville, Lebanon county, where the occupants of the machine attended a Children's meeting held by the Church of the Brethren.

W. A. Bishop, wife and children accompanied Amos Weidman and wife to Harrisburg in the latter's auto. They visited all the featured places at the capital. After refreshments necessary for bodily comfort had been partaken of they left the capital by way of Palmyra, Annville and Lebanon for Reading. After strolling around the Berks county city they returned to their respective homes by way of Ephrata, Lititz and Manheim. The weather was very delightful for such a trip and all concerned enjoyed it very much.

## BACKACHE NOT A DISEASE

But a Symptom, a Danger Signal Which Every Woman Should Heed.

Backache is a symptom of organic weakness or derangement. If you have backache don't neglect it. To get permanent relief you must reach the root of the trouble. Read about Mrs. Wood's experience.

Morton's Gap, Kentucky.—"I suffered two years with female disorders, my health was very bad and I had a continual backache which was simply awful. I could not stand on my feet long enough to cook a meal's victuals without my back nearly killing me, and I would have such dragging sensations I could hardly bear it. I had sore-

ness in each side, could not stand tight clothing, and was irregular. I was completely run down. On advice I took Lydia E. Pinkham's Vegetable Compound and am enjoying good health. It is now more than two years and I have not had an ache or pain since. I do all my own work, washing and everything, and never have backache any more. I think your medicine is grand and I praise it to all my neighbors. If you think my testimony will help others you may publish it."—Mrs. OLLIE WOODALL, Morton's Gap, Kentucky.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (Confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.
