

Everybody in Town Knows It and that is the reason it is making us hustle so to fill orders for that long tried and well liked

Coal

There must be a reason for this. Do you suppose that good sensible people are going to throw money away? We have had to convince them that we could give them More Heat for their money than they could get any where else.

We are ready to convince you too. Will you let us?

The Week in Grain

Compiled for the Mount Joy Bulletin, at Mount Joy, Pa., by Wm. L. Bear & Co., Pennsylvania Building, Philadelphia, Pa., by D. B. Lehman, Manager, Woolworth Building, Lancaster, Penna.

Phila., Pa., Nov. 26, 1912 The steady increase in the pressure of cash wheat to Northwestern primaries, and growing confidence in the ability of European states to solve the Balkan difficulty shortly, were the controlling factors in price adjustment for the week. In a slow trade, values have dragged to the lowest of the crop year, occasional rallies for the most part the out come of an unwieldy short interest disposed to reduce with the appearance of any particular demand. Several days have witnessed liberal foreign sales, and Bradstreet places clearances for the week at 6,114,537, approximately a million in excess of last week and two million more than a year ago. Since July 1st, exports are 91,563,764 bushels against 63,879,125 in 1911. During the present week fair quantities have been sold from the southwest via the Gulf and there was less pressure to domestic markets in that direction, in consequence. But the export demand and cash trade generally continues much below daily receipts, and sentiment is bearish. Mr. Patton is said to believe that we have reached a period when production greatly exceeds consumption. The short interest is apparently over extended. Coarse grains have maintained a firmer tone than wheat.

PLEASANT HILL

Jacob Horst was the first farmer around here that started stripping tobacco.

Hesley the apple man of Rheems, was on the market last week with some fine goods.

Jacob Horst and wife of Pleasant Hill, were callers at the Hostetter homestead on Sunday.

Cyrus Evans and Monroe Ebersole shredded Jacob Horst's fodder last week.

Tobacco buyers are circulating in this vicinity. Irvin Friday sold his crop at 10 and 3 cents last Friday.

Jacob Horst killed a hog last week that tipped the beam at 315. That's not so bad for a beginning.

Haldeman the produce dealer of Florin, was paying 37 cents per dozen for eggs last Thursday.

Breneman, the Mount Joy, liniment dispenser, was making his rounds last week in the rural districts.

E. R. Neideig took Harry Smith up to his home on Sunday. Harry proposes to take a few days hunt up around Round Top.

It should soon be time to have old home week at Rheems. Ehp Daugherty the handy man at the P. N. Kraybill store would know how to line up the parade.

Wesley Shank an energetic young gentleman contemplates leaving his home at Rheems and embark in the railroad business on the great Pennsylvania.

On Friday evening last as Harvey Hostetter was getting feed for his stock out of his silo he made a mistep and fell through a trap door, a distance of nine or ten feet to the cement floor, dislocating his shoulder, and broke three fingers.

Dr. Thome of Elizabethtown was summoned and attended to his wants.

BACK RUN

The farmers have finished hauling cornfodder.

On Monday the attendance of the Back Run School was increased by seven new scholars.

Albert Rettew, wife and daughters Anna, Fanny and Katie, spent Sunday with Philip Snyder and family, near Rheems.

The revival meetings held at Fairview are well attended notwithstanding that similar meetings are being held at other places.

Andrew Felker, proprietor of the Oak Vale coach works, received a new Reo automobile. He purchased it from Samuel K. Landis, of Lancaster.

Ellis Rettew was greatly surprised by receiving a number of post cards, stockings, and other gifts. The surprise was given in honor of his seventeenth birthday anniversary.

The love feast held at Mount Pleasant church was very well attended. The revival meetings are also well attended. Rev. Noah Hess of Pequea, is conducting the services.

Mr. Wilson must not contract the habit of going to bed early; he must expect to sit up all night occasionally to watch the bosses and the corporations.

MAKES RAPID HEADWAY

Add This Fact To Your Store of Knowledge

Kidney disease often advances so rapidly that many a person is firmly in its grasp before aware of its progress. Prompt attention should be given the slightest symptom of kidney disorder. If there is a dull pain in the back, headaches, dizzy spells or a tired, worn-out feeling, or if the kidney secretions are offensive, irregular and attended with pain, procure a good kidney remedy at once.

Thousands recommend Doan's Kidney Pills. Read the statement below.

A. E. Cox, cigar maker, Orchard St., Manheim, Pa., says:

"Some years ago I had occasion to take Doan's Kidney Pills and two boxes gave me entire relief. Today I hold this remedy in high esteem. Anyone suffering from kidney complaint can depend upon Doan's Kidney Pills to remove the trouble. A public endorsement for this remedy is no more than it deserves."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

The Great Sale of Men's \$12.50 to \$25.00

Overcoats at \$9.95 to \$17.95

Permits Any Man to Save From \$2.50 to \$7 On His

Winter Overcoat

Any man who needs a new Overcoat and does not take advantage of this offer is making a mistake. This is one of those opportunities that only the most unusual conditions bring forth such as a long spell of warm weather, when it should be cold, which invariably curtails the re-orders manufacturers expect, thereby forcing them to sell their surplus stocks at a loss. Our buyer secured these Overcoats in that manner. Many of them are in the thick, soft, shaggy, but light weight, plaid-back and double-face materials. All are the season's best sellers, which we cannot duplicate. Better look into this offer and benefit by these savings.

Table with 2 columns: Men's Overcoats (e.g., \$12.50 to \$15 Overcoats, \$9.95) and Young Men's Overcoats (e.g., \$3.50 to \$12.00).
