Place of its First Introduction to the World.

Some authorities incline to the vlew that the iron age was inaugurated in Asia or in Africa. The investigations of recent years have pointed digestion weak. 450 B. C.; that the Semite adopted its use still later, and that it has been portunity of hearing Supt. Dean last five or six centuries. There are

pneumonia.

Europe, especially in Noricum, which to attend. The session on Friday approximately represented modern stett and in Bosnia and Transylvania, used. from which countries the Achaians and Dorians are supposed to have migrated to Hellas, are found evidences of a gradual introduction of iron, at that the presentation of subjects by first as an ornament applied to the signees of Winfield L. Heisey and time for fuller discussion by the Everywhere else iron was introduced in no gradual fashion, a fact that

Meteoric iron was known in Egypt in remote antiquity, but no doubt it was worked as flints are worked, by

cutting or chipping, and was not smelted. In other words, it was the saw Eddy Foy at the Fulton, Monmetallurgy, not the knowledge of iron, day night. that originated in Central Europe.

stop hurting. Having been brought extent, there is no denying that in treating the new-style baby the old doctor is not a great success."

Concerning the Mole.

Naturalists aver that among comwith the result that some interesting data concerning this queer creature have been collected.

Under the edifice which the mole we the surface of the Messrs. H. E. and Paul E. Getz.

Every dime will count as ONE VOTE.

The twenty-five BOYS and twenty-five GIRLS who 80th year, has left Donegal farms a receive the prizes.

What boy or girl are you going to vote for?

Every boy and girl who gets on the list of winners wi Caroline Manuing of Harrisburg proud of the prizes they will secure as winners in the great were guests of Rev. and Mrs. C. D. The prizes will be selected from our own stocks of go FOR BOYS AND GIRLS.

Ask everybody to vote for YOU by writing YOUR name Manning and Miss Clare Manning shop in this store-father, mother, brothers, sister, uncles, au Come in and ask about this contest. We will gladly tx to get a prize.

Other Women in the House Have Small Chance of Receiving Bundles That Are Sent Home.

An uptown woman who nearly go stalled in a Ninth street car with a bundle of merchandise gave this read son for carrying home her own part cels, according to the Philadelphia Public Ledger.

"There is a prospective bride in our boarding-house," she said. "Everything in the dry-goods line is grist to the mill of the woman about to be married. Other women who have the misfortune to live in the same house shop under difficulties. The only way they can insure the enjoyment of their own purchases is to carry them, home

"If the things are delivered the bride snaps them up. Possibly she has no real shoplifting propensities, but circumstances combine to make her a thief. Servants bring to her shape that come to that front door.

Poultry and eggs are high every winter. All poultry yards should have shade in them. Movable, separate nest boxes are 'Wear-l the only kind to have. Three months should bring a broil- are made
