

HOW, WHEN AND WHY A SECOND ADVENT

Denver Divines on Right Track, Says Pastor Russell.

No World-Burning—Satan to Be Bound—Sin, Sickness and Death to Be Conquered—Man to Be Delivered. The Power Vested in Messiah—His Kingdom Near—How It Will Appear.

PASTOR RUSSELL

Denver, Dec. 1.—This city is stirred. Seventeen pastors of all denominations have been discussing the Second Advent for a month. Now comes Pastor Russell telling us all that "The Earth abideth forever"—that it will never be destroyed by literal fire. According to him the great event of Christ's Coming will bring blessings such as we all desire. He seems to have the Bible and logic on his side too!

Pastor Russell declared that false concepts of the Second Coming of Christ had done great injury. The view set forth in all orthodox creeds is that Christ will come again in the flesh. The resurrection will take place within twenty-four hours. The saintly will rise in the air to meet the Lord. Then fire will come down from heaven, and consume the whole earth. Premillennialists claim that Christ will reign in fleshly glory a thousand years to bless the living. The majority of Christians disown this as ridiculous nonsense because they believe little of creed or Bible. A minority perceives its inconsistency with the Bible.

What Bible Students Now See. The "fire of that day" is symbolical, already kindling in society, the elements of which, Capital and Labor, are getting hotter. Soon they will meet, the symbolical "earth" will be consumed with the "heavens" also, the ecclesiastical powers. Their passing away will usher in a "new earth," or social order, and "new heavens," the Church in glory.

The Second Coming of Christ is associated with blessings. Messiah will abolish the curse and bring in wonderful blessings. The Day of Christ will be "the last day,"—the great Seventh Thousand-year Day. All humanity will be blessed, including the dead who will then be awakened.

Christ Comes to Reign. As the redemption was necessary for man's salvation so Messiah's Kingdom is necessary to accomplish restitution. The delay of more than eighteen centuries is Scripturally explained: (1) God designed Six Great One Thousand Year Days to teach mankind the exceeding sinfulness of sin. He purposed that on the Seventh Day the blessing of Messiah should come. (2) An important work has been done since Calvary. An Elect Church has been gathered out of all nations—salts made perfect through suffering, a Little Flock, the "Church of the First-borns." These are to become the Bride of Christ at His Second Advent.

The Second Coming of Jesus is to claim His Bride class, and to exalt them. As regards the world, He comes to bind Satan, to overthrow sin, and to uplift fallen humanity. St. Peter tells that Restitution work, not a literal burning of the world, awaits the Second Coming of Jesus: "Times of refreshing shall come from the presence of the Lord."—Acts III, 19-21.

Christ's Kingdom to Be Spiritual. One great mistake we have all made is in not noticing that Jesus was half man for only thirty-three and a half years. He was a glorious spirit being before He was made flesh; and He was resurrected to a spirit condition—higher than His original one. How foolish we were to think of Jesus as a man (a little lower than angels) in the midst of the Heavenly host. He is now partaker of the Divine nature; His Church is to be "changed" and made "like Him." As His descent was from a higher to a lower, so His ascent was from a lower nature to a higher, "far above angels." His is the ascending glory which "no man hath seen nor can see"—"which no man can approach unto."

It is this glorious Being whose Kingdom is about to be established. He and His Church will be as invisible to men as are Satan and the fallen angels. The appearances of Jesus in the flesh after His resurrection were materializations, to prove: (1) that Jesus was no longer dead; (2) that He was changed, born of the Spirit, able to go and come like the wind.

Parousia, Epiphania, Apokalupsis. Messiah's Kingdom will have earthly representatives—the faithful saints of previous ages, raised to human perfection instantly. Through these the Invisible Messianic Kingdom will operate. Jesus said, "Ye shall see Abraham, Isaac, Jacob and all the prophets in the Kingdom."

The parousia of Jesus will come first—present but invisible. The world will continue with the ordinary affairs of life (while He is gathering the Church), as in the days of Noah.

After the gathering of the Church, there will be an epiphania and an apokalupsis of Jesus. He will shine forth. He will be revealed—not in flesh, but "in flaming fire," the trouble of that Day, in which the present order will be consumed in anarchy, giving place to the Kingdom Dispensation.

ACT QUICKLY

Delay Has Been Dangerous in Mount Joy.

Do the right thing at the right time.

Act quickly in time of danger.

In time of kidney danger Doan's Kidney Pills are most effective.

Plenty of evidence of their worth.

Mrs. F. Conrad, David St., Mt. Joy, Pa., says: "I suffered intensely from kidney trouble and it would be hard to describe the misery I endured. There was a constant, dull pain across my back that made my house-work a burden and I was annoyed by chills and dizzy spells. The least work tired me and I always felt languid. When I saw Doan's Kidney Pills advertised, I decided to give them a trial and procured a box at Garber's Drug Store. The first few doses helped me and I grew better rapidly as I continued their use. I am today in better health than I have been for a long time, thanks to Doan's Kidney Pills."

(Statement given Oct. 26, 1907.)

Mrs. Conrad was interviewed again and she said: "I am glad of an opportunity to re-endorse Doan's Kidney Pills. My health has been of the best since I took this remedy two years ago."

The Week in Grain

Compiled for the Mount Joy Bulletin, at Mount Joy, Pa., by Wm. L. Bear & Co., Pennsylvania Building, Philadelphia, Pa., by D. B. Lehman, Manager, Woolworth Building, Lancaster, Penna.

Phila., Pa., Dec. 4 1912

An active trader's affair within narrow price ranges has prevailed in all parts. Prices at the weekend are only fractionally removed from the levels of a week ago, with the trading area at all times above that limit. Bearish sentiment has now found its chief incentive in the failure of any material advance to materialize during the six weeks in which war in the Balkans has commanded general attention. Foreign engagements have continued upon a liberal scale, the European visible supply closely approaching that of a year ago, from an amount materially below 1911 Stocks two months ago. With the approach of harvest south of the Equator, the disposition is to anticipate a falling off in European requirements from North America, and in the clothful cash trade prevailing in domestic markets generally, offerings have increased whenever prices have advanced.

On the other hands, holders in the cereal list direct attention to the fact that both harvest and the period of heavy marketing is past, and that Europe has taken enough during it to prevent very burdensome accumulation of stocks. With the close of navigation, and the turn to all rail shipments, they feel low levels have been reached and any improvement in the milling demand will be followed by material advances.

Coarse grains have followed the lead of wheat, with deferred deliveries in favor with commission houses.
