CONVIENT TRANSPORTATION FACILITIES

The Pennsylvania Railroad, by main lines, branches, subsidiary lines, and connections, covers the Eastern country so completely that the people of almost every community may avail themselves of its facilities.

The lines reach the cities, the big towns and the little towns, so that whether the impulse to travel be for business, pleasure, or social purposes, it may be satisfactorily carried out, as far as transportation facilities are concerned, by taking a Pennsylvania Railroad train at the nearest point.

Through cars are operated over the lines between all important centres of population, and an excellent dining car service is available at the usual hours for meals on the through trains. The all-steel equipment of the trains adds greatly to the security and comfort of passengers.

The spirit of the holiday season stimulates the wish to travel, and the facilities of the Pennsylvania Railroad and its connections appeal with equal force to the home-coming young folks and the migrating people of maturer years.

The comprehensive train service, apart from the local trains well known in each community, covers a wide extent of territory.

BETWEEN THE EAST AND THE WEST

There are splendid limited trains between New York, Philadelphia, Baltimore, Washington, Harrisburg, Altoona, Pittsburgh, and points in the West, notably Chicago and St. Louis. Included among these are the "BROADWAY LIMITED," the 20-hour train between New York and Chicago; the "24-HOUR ST. LOUIS," to St. Louis, and Chicago; "THE PENNSYLVANIA LIMITED," to Chicago, St. Louis, Cleveland, and Cincinnati; and the "CHICAGO LIMITED," to Chicago, Cincinnati, and Cleveland. These are all-Pullman trains and provide the highest grade of service. In addition there are a number of express trains to Chicago, St. Louis, Cincinnati, Louisville, Indianapolis, Columbus, Cleveland, Toledo, Detroit, and other important centres of the Middle West, which provide both Pullman and all-steel coach service. Among these are the "Chicago Special," "Chicago Express," "St. Louis Express," "Western Express," and the Cleveland, Cincinnati, and Chicago Express.

TO THE SOUTH

Those contemplating a trip South, to the resorts of the Carolinas, Georgia, Florida, and the Gulf Coast, will find a number of fine trains between the important terminal cities of the Pennsylvania Railroad; and cars to the more important cities to the South running through from and to New York via Washington, Baltimore, and Philadelphia. On January 6, 1913, the through Limited Trains between New York and Florida will be placed in service.

COMMERCIAL CENTRES LINKED

An examination of the time tables of the Pennsylvania Railroad will show that practically all important commercial centres on its lines and connections are linked by through trains, through cars, or convenient connections, affording accommodating service.

Anyone who wishes to go anywhere should consult the nearest Ticket Agent of the Pennsylvania Railroad. He can give all the information a traveler requires.

"FAGGED-OUT" WOMEN

Will Find a Helpful Suggestion in This Letter.

Overworked, run-down, "fagged out" women who feel as though they could hardly drag about, should profit by Miss Richter's experience. She says: "Last winter I was completely run down and felt fagged out all the time, was nervous and had indigestion. 'One of my friends advised me to take Vinol, and it has done me great good. The tired, worn-out feeling is all gone, and I am strong, vigorous and well. The stomach trouble soon disappeared and now I eat heartily and have perfect digestion. I wish every tired, weak, nervous woman could have Vinol, for I never spent any money in my life that did me so much good as that I spent for Vinol.' Marie Richter, Detroit, Mich.

Thousands of women and men who were formerly weak and sickly owe their present rugged health to the wonderful strength-creating effects of Vinol. We guarantee Vinol to build you up and make you strong. If it does not, we give back your money.

Very few pears are at their best if allowed to ripen on the tree. A good rule is to pick when the seeds have turned brown.

The "opul" has always been considered unlucky. For further proof witness Adrianople and Constantinople.
