

PENNSYLVANIA RAILROAD

Bulletin.

CONVENIENT TRANSPORTATION FACILITIES

The Pennsylvania Railroad, by main lines, branches, subsidiary lines, and connections, covers the Eastern country so completely that the people of almost every community may avail themselves of its facilities.

The lines reach the cities, the big towns and the little towns, so that whether the impulse to travel be for business, pleasure, or social purposes, it may be satisfactorily carried out, as far as transportation facilities are concerned, by taking a Pennsylvania Railroad train at the nearest point.

Through cars are operated over the lines between all important centres of population, and an excellent dining car service is available at the usual hours for meals on the through trains. The all-steel equipment of the trains adds greatly to the security and comfort of passengers.

The spirit of the holiday season stimulates the wish to travel, and the facilities of the Pennsylvania Railroad and its connections appeal with equal force to the home-coming young folks and the migrating people of maturer years.

The comprehensive train service, apart from the local trains well known in each community, covers a wide extent of territory.

BETWEEN THE EAST AND THE WEST

There are splendid limited trains between New York, Philadelphia, Baltimore, Washington, Harrisburg, Altoona, Pittsburgh, and points in the West, notably Chicago and St. Louis. Included among these are the "BROADWAY LIMITED," the 20-hour train between New York and Chicago; the "24-HOUR ST. LOUIS," to St. Louis, and Chicago; "THE PENNSYLVANIA LIMITED," to Chicago, St. Louis, Cleveland, and Cincinnati; and the "CHICAGO LIMITED," to Chicago, Cincinnati, and Cleveland. These are all-Pullman trains and provide the highest grade of service. In addition there are a number of express trains to Chicago, St. Louis, Cincinnati, Louisville, Indianapolis, Columbus, Cleveland, Toledo, Detroit, and other important centres of the Middle West, which provide both Pullman and all steel coach service. Among these are the "Chicago Special," "Chicago Express," "St. Louis Express," "Western Express," and the Cleveland, Cincinnati, and Chicago Express.

TO THE SOUTH

Those contemplating a trip South, to the resorts of the Carolinas, Georgia, Florida, and the Gulf Coast, will find a number of fine trains between the important terminal cities of the Pennsylvania Railroad; and cars to the more important cities to the South running through from and to New York via Washington, Baltimore, and Philadelphia. On January 6, 1913, the through Limited Trains between New York and Florida will be placed in service.

COMMERCIAL CENTRES LINKED

An examination of the time tables of the Pennsylvania Railroad will show that practically all important commercial centres on its lines and connections are linked by through trains, through cars, or convenient connections, affording accommodating service.

Anyone who wishes to go anywhere should consult the nearest Ticket Agent of the Pennsylvania Railroad. He can give all the information a traveler requires.

Oh! Yes, We'll Thank You

Just at this season when you are making preparation to spend a merry Christmas may we ask you to remember the publisher just a little bit? We don't want any gratuitous contributions or donations but just what you may owe us for your subscription or perhaps for some job of work. In short, we need money. If you don't owe us any these few lines do not apply to you. If you owe us some kindly take heed. You may think "O, I only owe him a dollar or two, that's not much." Well, really it isn't but then remember we have several thousand or more customers and if they'd all get behind a dollar or two it would amount to a good sized sum. See?

Moorman No. 77's Christmas Gift; Chestnut Frolic; Dutch Thanksgiving Mollie and Brave Little Giuseppe are four short touching stories written by C. D. Rishel, pastor of the Mount Joy Church of God, and published by the Osceola Publishing Co. in booklet form, entitled "The Gem Series No. 1, of Splendid Lesson Stories. Price 10c or 3 for 25c sent postpaid or on sale at the parsonage and at several of the stores. A York, Pa. newspaper man said "These are the best stories I ever read." 3t.

Nearly Suffocated

Mr. Albert Walters, a clerk in Dr. E. W. Garber's drug store, had a narrow escape from suffocation on Wednesday night. While making ice cream in the cellar of the drug store, as is his usual custom in the evening, with a gasoline engine, he was overcome by the fumes accumulated from the exhaust of the engine.

Nut Grower's Convention

The Northern Nut Grower's Association will hold a convention in art room No. 2 on Wednesday and Thursday, Dec. 18 and 19. The headquarters of the convention will be at Hotel Wheat. Those who attend will be given specimens for examination. Also present question and answer discussion and give away experiences.

Christmas Box

Woman's Missionary Society United Brethren church met at home of Mrs. H. H. Nissley Tuesday evening. After the singing a box was packed with clothing, table linens, jewelry, soap, etc., which will be sent to Miss Perkins, who is a missionary at Velarde, New Mexico.

But He Wasn't Hurt

Ex-School Director John M. Swarr of Landisville was one of the mail service crew in the terrible train wreck at Glen Lock, two weeks ago, and helped rescue the passengers in the overturned coaches.
