Forbidden Marriages.

A curious idea among the Burmese is that people born on the same day of the week must not marry and that if they defy the fates their union will be marked by much ill luck. To prevent these disastrous marriages every girl carries a record of her birthday in her name, each day of the week having a letter belonging to it, and all children are called by a name that begins with that letter. It is rather hard if the Marys and Marks of Burma fall in love with each other, as in this country. Unlike other oriental lands, the young people are allowed to marry as taste dictates, subject only to the birthday restrictions.

An Act of Heroism.

On one occasion General Lee, while making an observation, stepped to a somewhat exposed position to secure a better view and thus stood for a moment at personal risk when General Gracie, who was in the party, quietly stepped before General Lee without obscuring his view and remained thus covering the body of his superior until the fieldglass was lowered and the danger over—a simple, quiet act, but showing cool bravery and a self sacrificing spirit.

The readers of this paper will be pleased to learn that there is at least one graded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Remarkable Offering of New Player-Pianos of Reliable Standard Makes at Twenty-Five Per Cent Below Their Actual Value

There's a little story, (however, a true one) connected with this purchase, as there always is with any such advantageous offering.

These pianos and player-pianos, which are made in Chicago, were on their way to a metropolitan piano concern which went into bankruptcy while the pianos were in transit.

Naturally, the manufacturer deemed it wiser to sell the pianos for what he could get than have them reshipped to the factories, half way across the continent at still further expense.

So, through our exceptional buying facilities, we took advantage of the situation and here are the pianos at twenty-five percent below the standard retail price, with a still further reduction of ten per cent for cash.

We shall be glad to give you the names of the concerns involved, if you desire when you call, but it would not be business courtesy to publish the same.

THE PLAYER-PIANOS

These pianos are equipped with a reliable fully warranted player-action, which is simple, durable, and expressive. Guaranteed to play well and to stay in good condition both by the maker and by us.

The cases are of mahogany, golden oak and Circassian walnut which is beautifully matched and very popular nowadays, for bungalow use or for modern living rooms. Also good for institutions. Bench or stool included.

Regular \$600 Player-Pianos: Our Special Price.....	\$450
Regular \$525 Player-Pianos: Our Special Price.....	\$395
Regular \$500 Player-Pianos: Our Special Price.....	\$375

THE PIANOS

These have Mahogany and oak cases, and full, rich, resonant tone; thoroughly reliable action. All well-known dependable makes, guaranteed for ten years by the makers and by us.

You have free exchange privilege if you don't like the piano you first select.

Regular \$350 Pianos: Our Special Price.....	\$262.50
Regular \$375 Pianos: Our Special Price.....	\$281.50

Pay \$5 or \$10 down and balance in small monthly payments.

\$10 will put any of the player-pianos in your home, or \$5 for any of the other pianos.

Or, if you prefer to pay cash, we will allow you a further discount of ten per cent. Tuned free for one year.
