

# GETZ BROTHERS' FIRST PARCEL POST SALE

STARTED THURSDAY, JANUARY 23, 1913

The New Parcel Post Service introduced by Uncle Sam is the best New Year's Gift he ever handed out to the American people, and to the man who receives this adv. it is a personal advantage of great benefit to have this opportunity offered him to buy these high grade goods at such reduced prices, right at home in his own house, where he can examine them at his own leisure; besides he has the guarantee of one of his nearby fellow citizens, instead of the claim of some far-away strange firm of which he has no knowledge as to its reliableness or honesty.
