Sound Sleep is usually impossible to the bilious.

But biliousness yields-and headaches, sour stomach, indigestion go when the bowels are regulated and the liver and kidneys stimulated by

Mr. Wesley Greider of McCalls Mrs. Stewart Tells How She Suffered from 16 to 45 years old-How Finally Cured.

> Euphemia, Ohio. - "Because of total ignorance of how to care for myself when verging into womanhood, and from taking cold when going to school, I suf fered from a displacement, and each month I had severe pains and nausea which always meant a lay-off from work for two to four days from the time I

"I went to Kansas to live with my sister and while there a doctor told me of the Pinkham remedies but I did not use them then as my faith in patent medicines was limited. After my sister died Way to strip his tobacco the right has been my home for the last 18 years

"The Change of Life came when I wa C. N. Herr and family spent Sat- 47 years old and about this time I saw my physical condition plainly describe in one of your advertisements. Then ! began using Lydia E. Pinkham's Vegafter being a short time at the etable Compound and I cannot tell ye or any one the relief it gave me in t Mrs. Lizzie Stauffer and daughter first three months. It put me right where I need not lay off every month and during the last 18 years I have no paid out two dollars to a doctor, and have been blest with excellent health for a we man of my age and I can thank I

E. Pinkham's Vegetable Compound for "Since the Change of Life is ove have been a maternity nurse and bei wholly self-supporting I cannot over estimate the value of good health. I have now earned a comfortable little home just by sewing and nursing sinc I was 52 years old. I have recommended the Compound to many with good results, as it is excellent to take before and after childbirth."—Miss EVELYN ADELIA STEWART, Euphemia, Ohio.

HOME HEALTH CLUB

By Dr. David H. Reeder

Obesity, Part 1. Nobody loves a fat man. No doubt this statement enough as the long hunt for it and was made by some long, thin, cadfling, and say from many years of ervices in our church since the of fat folks are jolly, good natured

There is another, and by far the folks are usually jolly and good natured, their condition is far from pleasant. They suffer from the Jacob Heisey is able to be up and heat, often have difficulty in getting about, are more liable to cccident, Albert Gingrich spent a few days and to them pneumonia and diseas-

eases are extremely fatal. Emanuel Greiner and daughter ed. It is due either to disease of the neck,) or improper functioning son spent Saturday and Sunday similative apparatus. I will speak

town and daughter Miss Lizzie visit- ticles, the cause should first be Shumaker was stricken with paral- and cure have, since time began, ysis and at this writing is in a puzzled not only the laity, but the

medical profession as well. I will Miss Dora Good, a student at the not say that all cases are easily far she is the only cure is simple. Let us now see if

> put of energy and the intake of food. When this relationship is interfered with for any length of time, disordered nutrition results: to grow fat and some the tendency to remain lean. However, I believe both of these tendencies can be explained satisfactorily without putting the blame on heredity.
