NATURE'S LAWS.

Nature's laws are perfect if only we obey them, but disease follows disobedithe cure, to the forest ; there are mysteries there, some of which we can fathom for you. Take the bars of the Wild-cherry tree, with mandrake root, Oregon grape root, stone root, queen's root, bloodroot and golden seal root, make a scientific, glyceric extract of them, with just the right portions, and you have

DOCTOR PIERCE'S GOLDEN MEDICAL DISCOVERY.

It took Dr. Pierce, with the assistance of two learned chemists and pharma-

cists, many months of hard work experimenting to perfect this vegetable alterative and tonic extract of the greatest efficiency. MR. C. W. PAWLEY, of Millville, Calif., writes: "I wish to tell you that I have used your 'Golden Medical Discovery' in my family for twenty years. We have had a doctor called in but once during that time. I have a family of ten chil-dren, all well and hearty, for which, to a great extent, we owe thanks to you and your 'Golden Medical Discovery' and 'Pellets,' which we use when sick."

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules.
