

# On The Diamond

Come out and encourage the base ball team Saturday.

New Holland defeated the North Ends 4 to 2 on Saturday.

The Actives, who play here on June 14, easily won their game on Saturday.

Seats were placed in position and everything is in readiness for the opening of the season Saturday.

John Lockard twirled for Mountville on Saturday and easily defeated the Arrow A. C. of Lancaster 14 to 5.

The Horning A. C. of Lancaster, the team that plays here May 31, easily defeated Clay at Clay on Saturday.

That series between the Foresters and Reddies should make things lively. Both have good base ball material.

Gray, of Landisville, a promising southpaw, who was given a tryout in the Tri-State last year, is practicing with the local squad.

Elmer Brown of this place, under contract with Mountville beginning Saturday, played in the outfield with Middletown on Saturday.

Elizabethtown, Manheim, Litz, and other clubs in the county charge 20 cents admission. In Mount Joy the price is only 15 cents.

Mr. Charles Cassell left last Thursday for Findlay, Ohio, where he is spending some time. He will arrive home in time to participate in the game on Saturday.

Getz Bros., Clothiers, have been granted permission to erect an 84 ft. sign and score board on the east side of the diamond. It has already been placed in position.

The Black Fronts of Lancaster, who play here June 21, walloped the life out of their opponents Saturday. Rill, who pitches for the Black Fronts, had 12 strikeouts.

The management, fans, players, in fact everybody will be exceedingly glad to learn that Mr. P. Frank Schock will be a permanent fixture on the team this season.

Mr. Frank Conard has purchased the field privileges for the entire season. He will have a refreshment stand on the grounds and will serve ice cream, lemonade, soft drinks, etc.

The base ball season will open here on Saturday when the locals will do battle with the Arion Athletic Club of Lancaster. While this is none of the best clubs in the city, it will give us an opportunity of trying out the many applicants for positions on the team. Just at this time we are unable to say what the lineup will be and in order to give all a trial there will be some shifting during the game. The visitors were the attraction at Manheim last Saturday where they opened the season. They were defeated but by no means disgraced. Come out and encourage the team.

At recent meetings of the Foresters and Red Men, all preliminary arrangements for a series of three games were made. Mr. Harry Williams is manager and Roy Pennell captain of the Foresters and Mr. Metzler is manager and Mr. Hendrix captain of the Reddies. The games will be played Thursday evenings and the first will be May 15 starting at 6:15. Prof. C. E. Roudsush, who held the indicator in the New York State League for one season, will umpire.

The entire proceeds of these games will be donated to the management of the base ball club. Here's hoping there is a good attendance at all the games.

Mt. Joy High School opened its season at home Saturday by defeating the Elizabethtown High School team to the tune of 13 to 3. Errors by the visitors was the main factor responsible for the onesidedness of the game. The following was the score:

The Handle that Holds the Iron The Iron that Holds the Heat

Throw away the old-fashioned irons with hot handles, or the spring handles that rattle loose and come off.

### UNIVERSAL

#### Thermo-cell Sad Irons

are perfect from handle to face. The handle has no spring to become weak and work loose. It is locked by a lever that holds it tight and rigid. To loosen it is impossible except by lifting the lever.

The Thermo-cell is an air space around the top and sides of the iron, permitting the heat to radiate only at the ironing surface. This means a cool handle—an iron that heats quickly and holds its heat. Various weights and shapes.
