

After Long Suffering

Women Are Constantly Being Restored to Health by Lydia E. Pinkham's Vegetable Compound.

"Worth mountains of gold," says one woman. Another says, "I would not give Lydia E. Pinkham's Vegetable Compound for all the other medicines for women in the world." Still another writes, "I should like to have the merits of Lydia E. Pinkham's Vegetable Compound thrown on the sky with a searchlight so that all suffering women could read and be convinced that there is a remedy for their ills."

We could fill a newspaper ten times the size of this with such quotations taken from the letters we have received from grateful women whose health has been restored and suffering banished by Lydia E. Pinkham's Vegetable Compound.

Why has Lydia E. Pinkham's Vegetable Compound accomplished such a universal success? Why has it lived and thrived and kept on doing its glorious work among the sick women of the world for more than 30 years?

Simply and surely because of its sterling worth. The reason no other medicine has ever approached its success is plainly and simply because there is no other medicine so good for women's ills.

Here are two letters that just came to the writer's desk—only two of thousands, but both tell a comforting story to every suffering woman who will read them—and be guided by them.

FROM MRS. D. H. BROWN.

Iola, Kansas.—"During the Change of Life I was sick for two years. Before I took your medicine I could not bear the weight of my clothes and was bloated very badly. I doctored with three doctors but they did me no good. They said nature must have its way. My sister advised me to take Lydia E. Pinkham's Vegetable Compound and I purchased a bottle. Before it was gone the bloating left me and I was not so sore. I continued taking it until I had taken 12 bottles. Now I am stronger than I have been for years and can do all my work, even the washing. Your medicine is worth its weight in gold. I cannot praise it enough. If more women would take your medicine there would be more healthy women. You may use this letter for the good of others."—Mrs. D. H. Brown, 809 North Walnut Street, Iola, Kan.

MRS. WILLIAMS SAYS:

Elkhart, Ind.—"I suffered for 14 years from organic inflammation, female weakness, pain and irregularities. The pains in my sides were increased by walking or standing on my feet and I had such a fearful bearing down feeling, was depressed in spirits and became thin and pale with dull, heavy eyes. I had six doctors from whom I received only temporary relief. I decided to give Lydia E. Pinkham's Vegetable Compound a fair trial and also the Sanitive Wash. I have now used the remedies for four months and cannot express my thanks for what they have done for me."—Mrs. SADIE WILLIAMS, 455 James Street, Elkhart, Indiana.

INDIGESTION FIVE YEARS

Relieved by Vinol.

Strength and even life itself depends upon the nourishment and proper assimilation of food, and unless digestion is good, the whole body suffers.

Mrs. L. D. Cook, Vineland, N. J., says: "I was sick five years with indigestion. My stomach seemed to have a heavy load in it, and at other times it seemed to be tied in knots. Nobody knows how I suffered. "I tried a great many doctors and a great many kinds of medicine, but nothing did any good until I took Vinol. It has helped me wonderfully. I am improving fast, feel better and am getting my flesh back again. Vinol has done me a world of good."

We know the great power of Vinol, our delicious cod liver and iron tonic without oil, in curing chronic stomach trouble and building up all weakened, run-down persons, and that is why we guarantee to return your money if it does not help you.

THE HIGHLY BRED STALLION

Spotdale 47817

Trial 2.25

At The Hotel, Florin Penna.

MR. ESHBACH, Propr.

SPOTDALE is a rich bay stallion, star and off hind pastern white, stands 16 hands high and weighs 1200 pounds. Foaled 1903.

Individually he is a horse of grand finish and plenty of substance with a fine disposition, deep strong shoulders, stout back, very strong loins and stifles, strong bone with good feet and legs.

His blood lines are of the best as will be seen by his tabulated pedigree—the most popular and prolific speed producing combination in trotting blood lines—the kind that get the money on the race course and the prizes in the show ring.

That he will beat speed and grand road qualities there is no doubt, as he not only inherits but possesses these qualities in a marked degree.

Even common mares bred to a horse of this class cannot fail to produce foals that will find a ready market as carriage horses or roadsters as well as general all-purpose horses.

He will make the season of 1913 at \$15.00 to insure live colt, with return privilege in case of bad luck.

Will not be responsible for accidents or escapes but best of care taken of mares sent to me.

Immense Auto Industry.

Few persons, however well they may be informed about the vast extent of the automobile industry, would estimate the consumption of cotton in making fabrics for motor vehicle tops and tires at anything like the true figures, which are about 1,500,000 bales.

Housework Drudgery!

Housework is drudgery for the weak woman. She brushes, dusts and scrubs, or is on her feet all day attending to the many details of the household, her back aching, her temples throbbing, nerves quivering under the stress of pain, possibly dizzy feelings. Sometimes rest in bed is not refreshing, because the poor tired nerves do not permit of refreshing sleep. The real need of weak, nervous women is satisfied by Dr. Pierce's Favorite Prescription, and all Mrs. Bixler and others testify:

It Makes Weak Women Strong and Sick Women Well.

This "Prescription" removes the cause of women's weaknesses, heals inflammation of the system, tranquilizes the nerves, encourages the appetite and induces peaceful sleep.

Dr. Pierce is perfectly willing to let every one know what his "Favorite Prescription" contains, a complete list of ingredients on the bottle-wrapper. Do not let any druggist persuade you to buy a cheap composition is "just as good" in order that he may make a bigger profit.

Some remarkable cures of Mrs. N. Washington St., Delphos, Ohio, witness "Fighting taints" from "Favorite Prescription" for a bad case of rheumatic disease and constipation with women's ill health which I was almost unable to do anything. I think I can safely say that there are no remedies in the world like Dr. Pierce's Favorite Prescription and "Purifying Lotion Tablets." I am now enjoying the best of health, and thank Dr. Pierce for his wonderful medicines which have done me a world of good!

Dr. Pierce's Pleasant Pellets regulate liver and bowels.
