AGE SEVEN

Dissolution Sale During The Entire Month of August also July 3c and 31st.

Our dissolving partnership forces us to turn part of this big

stock into cash. THE BIG REDUCTIONS will be a most sensational event. Money is needed you need the goods, and we will sacrifice prices

are real and values absolutely true. . In order to convert the large stock into cash we are selling many articles much less than cost, and will take the loss graciously, knowing that such big values are strengthening the bonds between this store and its old partrons and making new friends and cusstomers for the new and larger stocks, which will be shown in the future.

Do not fail to see one of the circulars for prices and do not fail to see the goods.

We will have extra help to provide for the extra people who will want of the many REDUCTIONS.

Do not fail to come and see our demonstrations of Wednesday, July 30th first day of sale.

THE BULLETIN. MOUNT JOY. PA

The Week in Grain Farmers Column Compiled for the Mount Joy Bulletin at Mount Joy, Pa., by Wm. L. The Guinea Fowl-Save Your Barn- Bear & Co., Pennsylvania Building, yard Manure-Feed Clean Grain- Philadelphia, Pa., by D. B. Lehman. Raise More Live Stock-The Calf manager, Woolworth Building, Lanand Flies-Can Surplus Fruits aster, Penna. Phila. Pa., Aug. 6, 1913

The calves that are kept growing Interest in the Grain market was from the very start have the best largely centered in corn on which reports were of the most alarming a chance

Ground oats make splendid feed for character. Snow attributes the practically all of the growing stock present condition of corn to lack of noisture in the subsoil due to the on the farm.

open winter last year. Hot weather The more butter is washed the more flavor it loses, Good butter and no rain was the report day after day all week and each succeeding needs only one washing. session found corn 1 to 2 cents high-Whether times are hard or prosper er. On Thursday the last day of July us, the man with a few good cows that option created great excitement olds good insurance.

Provided the cow is a good one, the by making a sensational rise in the Hardshells funwagega um Porro Bulnore she is fed along the right lines he more she will give. The successful dairy farmer who has the right idea of life is usually the most satisfactory neighbor.

The cow that gives the greates rofits, other things being equal, is he cow that has the best care. Turn the bulky, unsalable raw materials of the farm into a finished lways salable article namely butter

Men who keep dual cows hav ither been misled by some false eacher or else have no desire to in rove their herd. Can all of your surplus fruits and

egetables. There is a ready and ure market for all this class of vege tables that you wish to dispose of this winter. Keep the home canner going. The best prices will be gotte this winter, therefore cater to the local markets, and hold your canne fruits and vegetables until the winte months arrive. Remember that

and feed to fight flies as i and also apply a little "fly dope, You may rest assured that they will grow and lay on flesh twice as fast from now on if they are afforded a means of thus protecting themselves

An exchange points out that our farmers should raise more live stock if they expect to keep up the fertility of their soils. In Germany there is ne head of live stock for each 3. acres of land; in Denmark one for acres: in France one for 4.3 acres; in England one for 5.3 acres, but in the United States it takes 121 acres to support one head of live stock. If we are to keep down the cost of living must keep more live stock per acre and farm our lands better. feed dirty grain to your Don't horses. The dust, weed seeds and

where the state of disagreeable to the animals and injurious. Use a sieve to measure the grain and give it a few shakes to allow the dirt seeds to fall out before

feeding. Some pour water over the so, all you have to do is to look sieve or dip the sieve of grain in a bucket or tub of water a few times.

Federal Stock & Poultry Food

And invite you to call and inspect th se goods. We are givin for a limited time, two handsome preniums with each purcha ABSOLUTELY WITHOUT ONE CENT OF COST TO YOU. O of the premiums is a fine large cale der of 1914 and the other, and most important, is a beautiful h rp, which in itself really is selling for a greater price than the grods itself. You cannot fully appreciate this without seeing and hearing this fine instrument.

We have contracted with the FEDERAL STOCK FOOD CO, of MIFFLINBURG., PA, to handle their account in LANCASTER COUNTY, and feel sure that you will be more than pleased with the results obtained from the use of their goods.

Guaranteed by the FEDERAL STOCK FOOD CO. under the Pure Food & Drug Act of June 30th 906 Serial Number 17232. The analysis, as well as all ingrediens contained therein, comply with the State Law as well. So you are assured of getting full val ue for your money.

Ask us to show you the proposition, and the beautiful pre miums, which go with every purchase, ABSOLUTELY FREE.

If you can conscientiously say, after feeding 25 lbs, of the STOCK FOOD and 25 lbs, of the POULTRY FOOD, that you have not obtained results, it costs you not ing. The FOOD is positively guaranteed. A satisfied customer is the best advertiser, so
