HOME HEALTH CLUB

By Dr. David H. Reeder, Chicago, Ill.

Worms—Not a pleasant subject, but we don't find many ailments of the human family pleasant.

There are between 30 and 40 different kinds of worms that infest the human intestines. The most injurious of which are Hookworm and Tape worm. They are not so common, however, as the very annoying little worms called Pin Worms.

A thorough and complete injection of strong salt water or soapy water in which is dissolved lime or borax will usually clean them all out.

Tape Worms—There are three varieties of tape worm that may live and thrive in the human intestinal canal and cause many and various disagreeable symptoms.

Let the patient eat a light supper the night previous to using the remedy, and then, in the morning, eat nothing but bread and milk for breakfast, and half an hour after the breakfast put (for an adult) ten drops of chloroform in a little sugar and let that be swallowed at once.

The evening sermon was listened to by a large and appreciative audience. The beautiful Communion service presented by Mr. Walter Putzman and wife and daughter was received for the association with felicitous remarks by Dr. Watchorn, and was used in the morning service for the first time.

The large tankard for the Communion wine, with the two beautiful chalices, together with the two salvers for the bread, and the baptismal font, make a complete Communion service, which would adorn any churchly cathedral.

THE STATE HIGHWAY WORK

May Be Held Up Until Late in September

Indications are that the reconstruction and maintenance of State highways, stopped by the controversy between Auditor General Powell and Highway Commissioner Bigelow, over the payment of automobile license fees, may not be resumed until late in September.

The situation in regard to the improvement of roads in the State is assuming a shape which is bound, sooner or later, to be unsatisfactory. Under present conditions the Highway Department scarcely is able to estimate how much money it will have to spend during 1914 and the first half of 1915, for which periods much important work was planned, and the aggregate of the operations this year will be much more than in 1912.

Elected Officers

The Mount Joy township School Board held their monthly meeting at Milton Grove and elected the following officers: Secretary, Elmer W. Strickler; Treasurer, David F. Greiner; and the only officers that expire in July.

A Murderous Attack

Anthony Oliver, twenty-four years of age, a one-armed Italian of Lancaster, made a murderous attack shortly before 8 o'clock Friday evening upon Benj. F. Davis, Esq., a member of the Lancaster Bar, and Democratic County Chairman.

He'll Get \$2000 a Year

John A. Leinbach of Lancaster has been appointed settler of weights and measures for the county.

Camp Closes

RAIN WEDNESDAY EVENING MARS THE FAREWELL SERVICES

Prof. Adam Geibel, the Blind Musician, Spends the Last Day in Camp—A Memorial Service Held—Dr. Watchorn To Head Next Camp

Landisville campmeeting closed on Wednesday evening, but the farewell services planned were completely upset by the heavy storm. Instead of the time-honored walk-around, the campers gathered in the tabernacle and held a rousing song service over which Rev. Dr. Watchorn presided.

The closing day opened most auspiciously with a service conducted by Mr. Mackay. His subject, "Rivers of Salvation," was enjoyed by all present and many regrets were expressed that these helpful services must end for another twelve months.

Dr. Watchorn also conducted the Holy Communion service, and was assisted by the following ministers: Rev. J. E. Deacon, of Strasburg; F. W. Zweig, Bird-in-Hand; J. C. Bieri, Columbia; Percy L. Carpenter and J. B. Mackay.

Prof. Adam Geibel, the blind musician, singer and composer, together with Mr. Irving H. Mack, the great chorus leader, of the firm of Hall & Mack, of Philadelphia, and closely associated with Prof. Geibel, reached the grounds also at noon and were the guests of the genial President of the Association, Mr. Samuel Boyd.

The evening sermon was listened to by a large and appreciative audience.

Close of Summer Term, Millersville State Normal

A very successful term of the Summer School conducted at the Millersville State Normal School closed Friday, August 8th. The one hundred students spent a pleasant and profitable six weeks of study and recreation.

This Is Important

Letters of instruction are being sent out to the assessors by the county commissioners, calling attention to the provisions of the new party enrollment act and explaining just what must be done by the assessors in preparing their books for the coming elections.

Go to See Them

Judge Charles I. Landis has presented to the county lawyers' association and hung in the main court room the portraits of nine of his predecessors in office: Wm. A. Atlee, 1791-1793; John Joseph Henry, 1793-1811; Walter, Franklin, 1811-1836; Charles Ogle, 1836; Oristus Collins, 1836-1838; Benjamin Champeys, 1839-1842; Ellis Lewis, 1843-1851; Henry G. Long, 1851-1871; John B. Livingston, 1871-1901.

One of the Old Kind

An old-fashioned barn raising took place recently on Levi Jack's farm, in Dauphin county, and with the completion of the work more than 100 men sat down to a seventy-two foot table laden with everything good to eat. Jacks and cooks were utilized to make the affair a mechanical and social success.

A Whopper

John R. Gible, of near Mastersonville, delivered a fine Holstein bull calf to Gingrich and Bros., at Lawn, on Wednesday. It weighed 190 pounds and was aged but one month on the day of delivery. Who can beat it?

In the Town of Pretzels

A New York chicken breeder bought last week from a half dozen of the fancy poultry raisers of Litzitz 120 chickens—bantams mostly, paying \$225 for them.

He'll Get \$2000 a Year

John A. Leinbach of Lancaster has been appointed settler of weights and measures for the county.

DO IT NOW

Mount Joy People Should Not Wait Until It Is Too Late

The appalling death-rate from kidney disease is due in most cases to the fact that the little kidney troubles are usually neglected until they become serious.

If you suffer from backache, headaches, dizzy spells; if the kidney secretions are irregular of passage and unnatural in appearance, do not delay. Help the kidneys at once.

Doan's Kidney Pills are especially for kidney disorders—they act where others fail. Over one hundred thousand people have recommended them.

Here is one of the many cases in this vicinity. John McQueney, Charlotte and Eby sts., Manheim, Pa., says: "I have used Doan's Kidney Pills on several occasions. Lumbago, brought on by heavy lifting, caused me to suffer a great deal. I find that Doan's Kidney Pills can be depended upon to relieve this trouble. I have been recommending this remedy for several years. You are at liberty to publish my endorsement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

The New Nickel

In reference to a statement sent out from Reading about alleged counterfeit nickels being in circulation in that city, a correspondent writes: "The new 'Five Cent' nickel coin of 1913, and described and supposed to be a counterfeit, which does not have the bar over the letters, 'Five Cents' is of the first issue. After these coins had been in circulation a short time objections were made to the letters 'Five Cents,' being placed in such a position that through constant usage they will become obliterated. Hence the improved die, which now sinks those letters and makes the wording 'United States of America' and 'E Pluribus Unum' in the present issue more clear cut. Let none of our readers be deceived by the change, and take as many of both kinds as they can honestly get."
