Bigamist At Rheems

Comely Admits That He Was Married Twice

A FARMER CONFESSES HAVING ONE WIFE TOO MANY

Facing That Charge John William Tyson, Aged Forty-four Years is Now in the County Jail Awaiting a Trial at Court—Was Given a Hearing at Elizabethtown

Facing a woman he married in Baltimore, Maryland, last November, John William Tyson, forty-four years old, charged with bigamy, on Tuesday evening broke down in the office of Justice of the Peace H. L. Giese, at Elizabethtown, and confessed that he had two wives living, one of whom was Miss Mae Houghton, of Harrisburg.

Only wife No. 1, who before her marriage in November was Mrs. Flora Burnett, of Towson, Baltimore county, Maryland, appeared at the trial of the defendant, the exact whereabouts of the second wife being unknown to the Lancaster county authorities. Tyson was captured by Constable W. E. Plummer, of Elizabethtown, late on Tuesday afternoon while he was visiting Steelton. After the hearing he was committed to the Lancaster county jail for court trial.

The presence of his first wife is believed to have been responsible for the defendant making the confession, for he began unweaving his story as soon as he entered the office. Tyson is a farmer living at Rheems, Lancaster county, where he spent most of his life. He told the Squire that he married the Maryland woman after a very short courtship, immediately following the wedding the couple went to Towson. After remaining there three days he is alleged to have deserted wife No. 1 and to have come on to his Lancaster county home.

On July 20 of this year, the records of Dauphin county show and Tyson admitted it—he obtained a license in Harrisburg to wed Miss Houghton, thirty-three years old. The ceremony was performed by the same day by Rev. B. H. Hart, pastor of the Fifth Street Methodist Episcopal Church, Harrisburg.

It did not develop at the hearing whether he is the Elizabethtown Squire, who knows how long the couple remained together after the second marriage. Wednesday morning Justice Giese said he was informed that wife No. 1 is living at or near York. Tyson has been seen one of Rheems successful farmers, and is said to have a good-sized bank account.

According to the Elizabethtown officials, wife No. 1 had no knowledge of the second marriage until she visited that borough on Monday of this week. It was then, says the officials, that she made inquiries about her husband's whereabouts.
