## Committed Suicide

### Elizabethtown Minister Probably Was Despondent

#### WAS ASSIGNED TO THE UNITED BRETHREN CHURCH AT READING

Rev. S. S. Daugherty Told Friends After Conference Had Decided Upon Change That He Deeply Regretted Leaving Elizabethtown—Was Fifty Years Old

Suicide by hanging was the only verdict which could be reached after an investigation into the death of Rev. S. S. Daugherty, the well-known United Brethren minister at Elizabethtown Friday morning. The investigation was made by coroner's physician, Dr. Blough.

Thursday evening Rev. Daugherty and his family and Rev. Seldom, who took supper at the home of a member of the congregation, after he and his wife went to the home of Mr. Samuel Hink at Park street, where they were to spend the night.

About a quarter of two, Mrs. Daugherty discovered that her husband had left the house, and becoming worried, she notified Mr. Hink, who made an investigation and upon arriving at the barn, he discovered from a rope which had been fastened to one of the rafters. The body was cut down and Dr. Blough was summoned but life was already extinct.

Rev. Mr. Daugherty was fifty years of age and well known throughout the conference. There is no known reason for his act, but he may have been despondent. He was not very cheerful at any time since the conference of the church held at Philadelphia, and at which time he transferred to a charge in Reading and it is possible that he was disappointed at the charge given. He had admitted to friends that he was deeply regretted to leave Elizabethtown, where he had gained many friends. He had been pastor of Elizabethtown church for four years prior to that had been pastored by U. B. charge at Lititz, and had filled for eight years.

He arrived by his wife, who was accompanied by Dr. Joseph Daugherty, Shiremanstown, and Miss Ethel, at home.

It was taken to the undertaker of Harry Miller, and on Monday morning services were held at the church at 10 o'clock, strictly private.

A bridegroom said that they had been hearts when boy and girl were in high school, but separated, each to his own home.

## A COAL OIL WAR

Could be Purchased at Only Three Cents a Gallon Retail Saturday

You can get an idea from the following which is the best evidence we can produce that our town has a bunch of wide awake merchants that are certainly on the job.

Coal oil was sold to the various stores in this place last week at 7 to 8 cents a gallon wholesale. Some of the stores are supplied by the Atlantic Refining Company, some by the Independent Oil Company, represented by Mr. Clarence Schock while others buy their supply from the Mt. Joy Pure Oil Company, represented by Mr. Jacob H. Shank.

On Saturday morning a few of the merchants cut the price of kerosene to 6 cents a gallon retail. The downtown merchants got busy and cut to 5 cents a gallon. Another merchant cut to 4 cents and another to 3 cents a gallon retail. This was as low as any one sold for.

At this price you can just imagine that there was a large amount of oil sold. Boys with five gallon cans on express wagons came from every direction and at five o'clock Mr. Bernhart had sold more oil than ever in one day, in fact he was sold out entirely at that hour.

Many of the other merchants continued to sell at 6 cents and some even went to Mr. Bernhart for a supply.

## WILL SELL THE PLANT

On the rear of the corner lot, on the corner of New Haven and Cherry streets, is a complete ice manufacturing and spacious cold storage plant, with all necessary machinery. Also a meat market, slaughter house, scale house, and other buildings.

This has been a business stand for many years and is a most excellent location and will positively be sold. The sale will be held Saturday, Nov. 8, on the premises at 1:30 P. M. The properties will be offered in part and as a whole. Auctioneer C. H. Zeller will call the sale.
