PLEASANT HILL

Phares Gish, slaughtered a fine beef last Saturday. Irvin Smith did the work.

Cyrus Evans, of Rheems was threshing out Jacob Shelly's wheat crop last week.

Harvey and Levi Gish, were operating a shredding machine on their farm last week.

Jacob S. Williams and wife of Maytown have our best wishes for courtesies extended to us last week.

Tobacco stripping is going on over at Harry Erb's. Phares Gish, his son-in-law, and your correspondent are strictly in it.

The Maytown Institute was a success in every respect. A large attendance of people filled the Band Hall to its utmost capacity.

The Bossler Creamery remains where it is. It was decided by a unanimous vote by all who do business there in that line.

Tramps, or gentlemen of leisure, are getting as numerous around this neck of the woods as the crows that sail majestically through the air.

The Huntzinger store down at Maytown, is certainly a Santa Claus headquarters, judging from the fine display that we saw last Saturday.

Grandmother Neideigh, after an absence of several weeks enjoying the hospitality of her son-in-law, J. E. Williams, down at Maytown, returned to the Fort on Saturday. Welcome home "Grammy."

Paris Garber informed us that he has shipped over fifty polecat skins to market already. The stench from these "boys" would settle the whole Mexican trouble if exported into that demoralized country.

The protracted meetings that are being held under the auspices of the Mennonite denomination, at the Bossler Church, conducted by Rev. Moseman of Lancaster, are meeting with success. The singing was clearly and beautifully rendered and good order as a general thing prevailed.

Amos Erb is the proud possessor of an up-to-date automobile through the instrumentality of Henry Longenecker, a live wire agent residing near here. Mr. Longenecker, had the proud distinction of transporting Woodrow Wilson, then an aspirant for the Presidential office, after delivering an address at the Granger's Picnic, at Williams Grove, last fall, to Harrisburg, in his fast-flying machine.

The stone crusher operated by Harvey Hostetter, is crushing stone at the Fort taken from the foundation of the old barn that was burned down several years ago. They are being used in plking one of the most miserable mud holes, commonly called a road that lies between the hill and Jacob Shank's. Harvey deserves commendable praise from the entire community in his effort of converting this much traveled road into a serviceable thoroughfare.

Will Close on New Year

Inasmuch as January 1st is being observed more generally each year as a holiday, we, the undersigned merchants of Mount Joy and Florin, agree to close our places of business on said day, Thursday, Jan. 1st, 1914:

A Peculiar Predicament

A sick man got on a train at Tyrono on Sunday and got off again at Huntingdon, after which it was learned he had small-pox. Word followed the train which had already left Lancaster but when it reached Philadelphia every person in one of the cars was vaccinated. The passengers were detained in the car from 11:46 P. M. until the next morning.

Fire Company Officers

The Landsville Fire Company has elected the following officers: President, Ezra Miller; first vice president, Frank Shenk; second vice president, Harry Greider; secretary, P. W. Baker; treasurer, J. N. Summy; fire chief, William Hoffman; assistants, John Baker, Harry Summy, David Long and H. B. Greider.

Horse Ran Away

When Abram Young was driving a team on Tuesday morning on the State Road toward East Petersburg the horse became frightened by a passing automobile driven by R. B. Sheets and ran off. He was captured by Mr. Sheets after a half mile chase.

Christmas Savings Fund Checks

MARIETTA

Borough Masons Install Officers—Former Resident an Inventor

Joseph M. Stafford returned from a visit to Philadelphia.

Samuel Farmer has returned home to Harrisburg, after a visit here for several days.

C. B. Hipple and family, of York, were guests of relatives and friends here for several days.

Dr. and Mrs. Whitteker, of Phoenixville, after spending several weeks here with their daughter, Mrs. George Helstand, returned home.

William F. Sebastian has returned from an extended visit with friends and former Marretians at Williamsport and Jersey Shore. He was the guest of Isiah White, now an inventor of some note, having succeeded in inventing a furnace to burn soft coal to heat residences, etc.

Emma, wife of Abraham Yontz, met with a very painful burning accident yesterday shortly before the noon day meal was ready to be served. She had a large potato in the oven, and while in the act of turning it, the fork slipped and splashed hot water over her left wrist almost to the elbow. She went to the Wike pharmacy, and cooling lotions were applied. The hand is badly swollen.

Dr. George R. Reich returned to his home Saturday night from Basano, Canada, where he was engaged in farming since last March. Dr. Reich sustained a heavy loss recently when several thousand bushels of wheat were destroyed by fire. He also lost big quantities of barley and other grain. His brother, Jay M. Reich, will remain in Canada, during the winter and Dr. Reich will return in the spring.

The following officers of Mount Horeb Lodge, No. 14, Free and Accepted Masons, were installed by Past Master Joseph M. Stafford for the ensuing year. Worshipful master, Eli Richardson; senior warden, Henry T. Smith; junior warden, Edward W. Peaco; secretary, Joseph M. Stafford; treasurer, Thomas L. Richardson; senior deacon, John Knight; junior deacon, S. S. McKinney; Tyler, William Malen; chaplain, Charles Moton; trustees, Thomas L. Richardson, Joseph M. Stafford and James Steward. Immediately following the business session an elaborate banquet was served in the hall of the lodge. Lancaster, Columbia and Marietta were represented. Mount Horeb Lodge is in a flourishing condition.

HOW TO TAKE GOOD CARE OF YOUR HAIR

Nothing spoils your good looks so much as homely, hair—stringy, dull-colored, harsh. Nothing adds to good looks so much as beautiful hair—soft, silky, wavy and glossy. No matter how beautiful your hair is now, you can improve its good looks by using Harmony Hair Beautifier. If your hair is homely and ugly now, Harmony Hair Beautifier will make it softer, silkier, glossier, more beautiful in every way. It also makes it easier to put up and helps it to "stay put." Its rich rose odor hides the unpleasant, oily smell of the hair. Harmony Hair Beautifier is rightly named; it beautifies the hair.

Very easy to apply—simply sprinkle a little on your hair each time before brushing it. It contains no oil, and will not change the color of the hair, nor darken gray hair.

To keep your hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo gives an instantaneous rich lather that immediately penetrates to every part of hair and scalp, insuring a quick and thorough cleaning. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness, just a sweet-smelling cleanliness.

Both preparations come in odd-shaped, very ornamental bottles, with sprinkler tops. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold in this community only at our store—The Revall Store—one of the more than 7,000 leading drug stores of the United States, Canada and Great Britain, which own the big Harmony laboratories in Boston, where the many celebrated Harmony Perfumes and Toilet Preparations are made.—Garber's Drug Store Mount Joy, Pa.

The Final Meeting

A program committee, consisting of Miss Ryan, Miss Beam and Mr. Shank were appointed by the Rapho township Teachers Institute recently, who prepared the following program for the next meeting which will be held Saturday, February 7, 1914. Opening Exercises; Reading of Minutes; Sentiment Roll Call; Music by the Institute; Discussion, "Teaching of Morals and Manners in the School Room," by Mr. John Brubaker and Miss Edith Spring; Recitation by Mr. Charles Becker; Music by the Institute; Essay, by Miss Lillian Becker; Discussions, "Modes of Punishment" by Mr. Emerson Rohrer and Mr. Amos Waser; Music by the Institute.

This being the last meeting before the all-day session, a full attendance is desired.

The Birth of Christ

"The Birth of Christ" will be given in a series of tableaux in Maytown band hall, on Saturday evening, Dec. 20, 1913, under the auspices of St. John's Lutheran Sunday school. The entertainment will be of a unique, instructive and scriptural character. Everybody is invited. You will miss something worth while, if you fail to attend. Admission 10 cents.

We're Fourth in Wealth

Lancaster county ranks fourth among the counties in amount of money out on interest. Allegheny County, in which Pittsburgh is situated and Philadelphia county, and Montgomery County, in which many of the business men of Philadelphia reside, surpass Lancaster County in the amount of money invested. Lancaster County men, as far as the tax collectors have been able to determine, have \$30,743,156 loaned out. The total amount taxable for state purposes in Pennsylvania is \$1,402,511,272.96.

Had a Slim Crowd

Mr. Gable of Lancaster, who had rented the hall here for a dance Friday evening, after having a drum corps parade the town, only had a small crowd in attendance and after the second dance "closed up shop." It is not likely that he will try it here again and this is good evidence that one dance a week is enough for this town.

A Big Success

One of the most successful spelling bees ever held in this section took place at the Union school house on Saturday evening. A very good program was rendered. There were three classes with four prizes to each class. The attendance was so large that many could not gain admittance. The teachers are Peter R. Kraybill and Miss Margaret E. Raymond.

North, South, East, West

men and women are subject to the numerous ailments caused by defective or irregular action of the organs of digestion and elimination. Headaches, lazy feelings, depression of spirits are first consequences, and then worse sickness follows if the trouble is not removed. But thousands have discovered that
