

MILTON GROVE

Mr. Clyde Fry Has Returned From the General Hospital

Organize literary societies. Local politicians are inactive. Plant hedge rows around your field.

Last year's hog raising was profitable. Truly this is remarkable winter weather.

One of our citizens hops about with frozen toes. Mount Joy township is without a literary society.

Tobacco farmers are busy stripping the odorous plant. The roads continue to maintain their excellent condition.

Very few cases of sickness in this locality at the present. Progressive farmers should organize free club meetings.

The major portion of tobacco in this locality is unsold. Few families in this section will change residence next spring.

Pure apple vinegar is a scarce commodity around here this season. Jos. Ginder—at least rumor has it will join the group of benedicts.

Naturalists should visit the Green hills and their peculiar surroundings. Jos. Brubaker of Mount Hope supplies this community with fresh oysters.

Isaac G. Kopp transacted business in Elizabethtown, Saturday afternoon. One day more and poor bunny will again enjoy his ten months' freedom.

Mrs. Anna Grosh spent Saturday with relatives and friends in Elizabethtown. Jacob Fry was in attendance at his brother George's funeral in York Co. Friday.

John Green suffered inflammation of an eye the past week, but is again O. K. E. F. Grosh spent Saturday to Monday in Lancaster visiting relatives and friends.

John B. Martin an old trapper on Conewago height reports game is getting scarce. Landlord A. S. Holwager and spouse took in the Christmas sights in Lancaster, Monday.

Be generous according to your ability in Christmas giving, but do not blow yourself to pieces. A series of revival meetings will be inaugurated at Rissers church Sunday evening, December 28.

Mr. and Mrs. Irwin Bricker of Rose Hill, spent Sunday with the latter's mother, Mrs. Sarah Good in town. Rumor has it, that our township constable tried conclusions with a balky mule and came out second best.

A good many turkeys died last week from a disease known as "Knifectis" and the Milton Grove cannibals are happy. The currency question is a bigger thing in the home during this holiday season than it can possibly be in Congress.

Frank B. Grosh, Isaac G. Kopp, Dr. and Mrs. A. J. Thome, Mrs. S. L. Gingrich were supernumeraries in Lancaster the past week. Climax lectularius is reported a potent factor in transmission tuberculosis. The climax is commonly known as the bed bug.

Phillip Singer the veteran auctioneer of Elizabethtown, accompanied by his esteemed help meet autoed to this place Sunday as the guests of A. Curtin Good and family. Clyde Fry who was taken to the Lancaster Hospital about three weeks ago for treatment has been returned to his parental home the past week.

J. E. Belser, practical tin smith and Cortright metal slate agent of Elizabethtown and family made a Sunday tour to this place in a touring vehicle. Miss Gertie Kupp, of Colebrook furnace hill and her provincial cousin Miss Pearl McComb, after spending a day with relatives here returned to pastures green and their homes on the hill side.

John K. Stern and family, formerly of Chiquis hill but of recent years residents of Colorado, have moved back to their old neighborhood and have rented the Samuel Newgard premises formerly D. Hankin's Mill property. Neither the president nor our great secretary of the State is going to escape ridicule by making a fuss about the caraboa incident, on the contrary they are likely to get more of it. The caraboa may seem something like Bull Moose, but Dr. Wilson knows it is different.

Among the local commissions for Justice of the Peace received in the Recorder's office we notice the names of John S. Brinser, Elizabethtown; J. Harvey Raymond and Frank B. Grosh, Mount Joy township; H. P. Wisegarver, Rapho; J. L. Keener and Charles H. Zeller, Mount Joy Borough; Geo. Mable and Samuel B. Gramm Marietta. No justice was elected in East and West Donegal, or Conoy township in 1913.

Joshing the Editor nearby neighbor met us down the other day with this question: "Say do you know how George Washington spelled cat?" No we do not we replied. "Why c-a-t." We acknowledged the corn and passed on—Elizabethtown Chronicle.

Tuesday, March 3—At Columbia, livestock and implements by Henry Smith.

Beware of Ointments for Catarrh That Contain Mercury as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio by F. J. Cheney & Co. Testimonials. Price 75c per bottle. Small Pills for constipation.

The Fact Remains

No amount of misrepresentation by the peddlers of alum baking powders, no juggling with chemicals, or pretended analysis, or cooked-up certificates, or falsehoods of any kind, can change the fact that

Royal Baking Powder has been found by the official examinations to be of the highest leavening efficiency, free from alum, and of absolute purity and wholesomeness.

Royal Baking Powder is indispensable for making finest and most economical food.

Donovan's Big Anniversary Sale

The attention of our readers is directed to the announcement in our adv. columns of the big yearly sale which this firm starts on Saturday and which everybody around here eagerly looks forward to. The interest in the Donovan Co's Anniversary sale is not based on sentimental reasons, but is the result of the truly wonderful bargains which a year and two years ago, they gave to the public and which are still fresh in the memories of all.

Two years ago the Donovan Co. succeeded Foster & Cochran (formerly H. S. Williamson) and by their live aggressive public policy, liberal and courteous treatment to their customers and reliable and trustworthy methods generally established for themselves, a county wide patronage

second to that enjoyed by no other store in Lancaster, while the special manner in which they cater to their out of town patrons by paying their carfare has made them prime favorites with the people living outside of the city.

We understand the attractions in the forthcoming sale are greater than ever and we predict that many on Saturday will ride to Lancaster free as the "guests" of the Donovan Co.

New Bank Building

The Elizabethtown Bank has purchased the property on corner of South Market and Washington streets on which a handsome new building will be erected. It will be a modern structure and will be another boom for the southern end.

RESULTS

Advertisement for Park & Pollard Growing Feed. Includes a diagram showing 1 1/2 oz of feed plus 40 lb of growing feed equals 10 lb of chicken in six months. Text: 'YOUR CHICKENS DON'T GET HALF ENOUGH TO EAT if you do not feed The PARK & POLLARD GROWING FEED No Magician in the Arabian Nights could produce results any faster than this feed. From 1 1/2 oz. when hatched to 10 lb. weight at six months is nothing unusual on this ration. TRY IT at our expense; Your money back if it does not do better than they claim.'

BRANDT & STEHMAN, MT. JOY PENNA

Mr. Man or Woman

If its new shoes you are looking for, whether Men's, Boys', Ladies' or Children's, don't buy until you have first seen my line. The prices I know will please you.

REPAIR WORK A SPECIALTY

Don't throw that pair of good shoes aside because they are slightly torn or the sole has worn thru. Bring them to me and I will make them like new for a very small consideration.

Harry Laskewitz

EAST MAIN STREET MOUNT JOY, PENNA.
