Donovan's February Furniture Sale

The special attention of our readers is called to another page of this place announcing the great February Furniture Sale of the Donovan Company of Lancaster, which starts next Saturday, Jan. 31st.

For the past six months this live firm has been actively engaged in preparing for this great event and thru the cooperation of America's greatest Furniture manufacturers who have made up for them high grade Furniture at remarkably low prices during the dull months of their factories, have gathered together the grandest collection of good Furniture ever assembled under one roof in the city of Lancaster.

This big city store sells Furniture for cash only, quite an innovation for Lancaster and naturally by so doing they can sell Furniture very cheap at all times, but this month they promise to even undersell themselves. During this big sale they will continue to pay the car fare of their out of town patrons. An inspection of their three large Furniture floors will reveal many great savings to intending buyers.

**FEEBLE OLD PEOPLE**

**Are Told How to Regain Strength and Vigor.**

As one grows old the waste of the system becomes more rapid than repair, the organs act more slowly and less effectively than in youth, the circulation is poor, the blood thin and digestion weak.

Vinol, our delicious cod liver and iron tonic without oil is the ideal strengthener and body-builder for old folks, for it contains the very elements needed to rebuild wasting tissues and replace weakness with strength. Vinol also fortifies the system against colds and thus prevents pneumonia.

Mrs. Mary Ivey, of Columbus, Ga., says: "If people only knew the good Vinol does old people, I am sure you would be unable to supply the demand. I never took anything before that did me so much good as Vinol. It is the finest tonic and strength creator I ever used in my life."

If Vinol fails to build up the feeble, old people, and create strength we will return your money.

P. S.—Our Saxo Salve stops itching and begins healing at once.

Constructed

It was certainly refreshing to read your editorial in your issue of the 14th informing your readers that they need to exercise a little patience and wait "until the ground thaws" in order to read on conspicuous sign boards the names of our streets.

I am informed that the action relating to the sign boards passed by the 1913 Council died with the old Council, and if anything is to be done the new Council must take action. The old Council had the estimates from several firms and had taken some action. This may materially aid the new Council to at once take some definite step in the necessary work of erecting these signs at the session next Monday.

Surely the petition of 251 of our citizens cannot be ignored. Many of the Mount Joy citizens are awaiting some tangible progress in this important movement. On the first day of April our people will have a greatly appreciated surprise. So may it be.

**WOMAN IN BAD CONDITION**

Restored To Health by Lydia E. Pinkham's Vegetable Compound.

Montpelier, Vt. — "We have great faith in your remedies. I was very irregular and was tired and sleep all the time, would have cold chills, and my hands and feet would blot. My stomach bothered me, I had pain in my side and a bad headache most of the time. Lydia E. Pinkham's Vegetable Compound has done me lots of good and I now feel fine. I am regular, my stomach is better and my pains have all left me. You can use my name if you like. I am proud of what your remedies have done for me." — Mrs. MARY GAUTHIER, 21 Ridge St., Montpelier, Vt.

An Honest Dependable Medicine

It must be admitted by every fair-minded, intelligent person, that a medicine could not live and grow in popularity for nearly forty years, and to-day hold a record for thousands upon thousands of actual cures, as has Lydia E. Pinkham's Vegetable Compound, without possessing great virtue and actual worth. Such medicines must be looked upon and termed both standard and dependable by every thinking person.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.
