"Let's have May come over"

A faithful servant when there's work to do, and ready to aid in your pleasures, too.

When you've friendly calls to pay, last minute arrangements to complete, those delightful on-the-spur-of-the-moment affairs to arrange, it's an added pleasure to "just telephone."

You are, of course, proud of your home, but it certainly lacks something of comfort and a great measure of convenience if you have no Bell Telephone.

Residence rates are low. Telephone or post-a-card to the Bell Business Office.

SYSTEMATIC SAVING

Few people save much unless they have a definite plan. Spasmodic saving seldom results in large accumulations.

Some people save all their coins of a certain date; others save by cutting off certain luxuries; others by a system of fines for breaking certain rules; but there is still a better plan. Set aside a definite sum as a debt to your future and deposit it each week in the
