

GOD LIVER OIL AND IRON

Two Most World-Famed Tonics Combined in Vinol.

Cod Liver oil and Iron have proved to be the two most successful tonics for the blood and the medicinal curative elements of cod liver oil as a strength and tissue builder for body and nerves, and for the successful treatment of throat and lung troubles.

Two eminent French chemists discovered a method of separating the curative medicinal elements of the cod's livers from the oil or grease which is thrown away, but to these medicinal elements tonic iron is now added, thus combining in Vinol the two most world famed tonics.

As a body-builder and strength creator for weak, run-down people, for feeble old people, delicate children, to restore strength after sickness; and for chronic coughs, colds, bronchitis or pulmonary troubles we ask you to try Vinol with the understanding that your money will be returned if it does not help you.

P. S. For pimples and blotches try our Saxe Salve. We guarantee it.

Postmaster and Mrs. John Orth were busy today receiving congratulations upon the twenty-first anniversary of their wedding. Mrs. Orth before marriage was Miss Beates. Both are enjoying good health. They have several children, and in honor of this eventful day, a dinner was served at the Orth home, in Gay street.

Major and Mrs. Simon B. Cameron, residing in Third street, were married twenty-seven years Monday. They had no celebration, but were kept busy receiving the congratulations of their many friends. They had two children, but only the daughter, Miss Elva, is living.

The snow on Monday accompanied by the high wind played havoc in the rural districts and in some parts of town, the roads being impassable at many places. Near town, the drifts were as high as the houseposts and for passage, the fields are being used, and several are preparing to harvest the same as soon as the snow recedes and passage way can be obtained. Poles were blown down and limbs have been blown from a large number of the trees.

Like Peas on a Knife
A young man called on a doctor, complaining of pains in his stomach. The doctor diagnosed the case as dyspepsia and advised the patient to go home and try a dill pickle. If he could keep that on his stomach, he was to report to the doctor in the morning. The next day the patient returned and when the doctor asked him if he could keep the pickle on his stomach, he replied, "I could as long as I stayed awake, but when I fell asleep, it rolled off."

Natural Effect
"Your friend Banks has a very suspicious air. What makes him hold his nose so high?"
"He can't help it, dear boy. He's an official egg inspector."

WOMAN WOULD NOT GIVE UP

Though Sick and Suffering; At Last Found Help in Lydia E. Pinkham's Vegetable Compound.

Richmond, Pa. -- "When I started taking Lydia E. Pinkham's Vegetable Compound I was in a dreadful rundown state of health, had internal troubles, and was so extremely nervous and prostrated that if I had given in to my feelings I would have been in bed. As it was I had hardly strength at times to be on my feet and what I did do was by a great effort. I could not sleep at night and of course felt very bad in the morning, and had a steady headache.

"After taking the second bottle I noticed that the headache was not so bad, I rested better, and my nerves were stronger. I continued its use until it made a new woman of me, and now I can hardly realize that I am able to do so much as I do. Whenever I know any woman in need of a good medicine I highly praise Lydia E. Pinkham's Vegetable Compound." -- Mrs. FRANK CLARK, 3146 N. Tulip St., Richmond, Pa.

Women Have Been Telling Women
