

## New Farm and Business Directory of Lancaster County

Our Representatives  Wear This Badge

The publishers of the old reliable FARM JOURNAL, of Philadelphia, are preparing to publish the illustrated FARM AND BUSINESS DIRECTORY OF LANCASTER COUNTY, giving the name, post-office, rural route, and telephone connection of every farmer in the county, all arranged under post-offices, and a classified BUSINESS DIRECTORY, including all business houses in the county, arranged under the proper headings.

With the Directory is given a complete ROAD MAP of the county, with each road NUMBERED to show the exact location of each farm, as given in the Directory.

This Directory will contain many interesting PICTURES of fine farms, thoroughbred stock, churches and public institutions, schools and pupils, portraits of prominent people, etc.

The names and necessary information about farmers are being secured by PERSONAL CANVASS of the 10,835 farms in the county. This Directory and Road Map are so useful to farmers that from our experience in other counties we can guarantee that the Directory will go into at least SIX THOUSAND HOMES of Lancaster County, where it will be constantly used by farmers and business men for the next five years.

The Farm Journal Directories give information which makes them indispensable to every farmer and business man in the county. They are an immense improvement over other directories, containing what most publications do not give.

First, they give the names, addresses, telephone connection, and other important information about farmers, secured by PERSONAL CANVASS from the farmer himself. This canvass of country districts is so costly that most directory publishers cannot afford to make it, and therefore lists of farmers published are in nearly all cases copied from the assessor's lists.

The classified BUSINESS DIRECTORY includes every business house in the county, whether in city or country. In other directories the names of houses in the cities and large towns only are usually given.

These features, with the Road Map, make the Farm Journal Directory an indispensable hand-book for every live farmer and business man in the county.

If you are not sure that correct information has been given to one of our canvassers, please send it direct to our main office.

### ERISMAN'S CHURCH

Sunday School Organized for the Season at the Church Here

Mr. and Mrs. Jacob Reist visited Hiram Witmer on Friday. Harvey Metzler sold his cattle to Mr. Franz of Lancaster. Z. W. Keller delivered a horse to John D. Rohrer on Friday.

Mr. and Mrs. John Nissley and family visited A. B. Erb's on Sunday. John Metzler bought a pair of mules from John Snively on Tuesday. Christ Bucher of Litzitz spent a few days this week with Christ Bucher. Mr. and Mrs. Levi Musser and Willis Hersh spent Sunday with Martin Metzler.

Mr. Jacob Rohrer and Lizzie Missemer visited A. H. Erb and family on Sunday.

Mrs. Susan Flinchbach of Mt. Zion visited relatives in this community the past week.

Mrs. Abram Stauffer of Mt. Joy spent a few days with Levi Eby and family this week.

Rev. and Mrs. John Ball David Nissley and Mr. and Mrs. Noah Witmer visited Peter Witmer on Sunday.

Archie Hunt, who spent the past year here, has gone to his home in York County to stay with his father, who is in bad health.

Mr. and Mrs. Henry Ebersole, Mr. and Mrs. Walter Keener, Benj. Ebersole and Barbara Ebersole visited Mt. Christ Longenecker on Sunday.

Hiram Witmer seems to be the most pleasant man in this vicinity at present. The stork delivered a baby girl to Mr. Witmer's home Monday.

The Lincoln School was visited the past week by Misses Stella Witmer, Mary Brubaker, Anna Erisman, Ella Habacker and Messrs. Earl Witmer, John Nissley and A. H. Erb.

The Erisman's Sunday school was organized for the following year on Sunday evening. The term will begin Sunday March 29, at 2 P. M.

Following are the officers: Supt., Rev. I. Brubaker; Assistants, C. Brubaker and C. Bucher; Martin Metzler and B. Stauffer, Choristers; B. Bomberger and C. Brubaker, Secretaries.

With this corps of able men as leaders the work for the following year should be a success.

Not all Christian parents seem to realize that in this school is where the young are trained to be efficient workers for Christ, they learn to go to Church, here they begin to master the Bible and learn its message, they learn to sacrifice by coming and giving for Christ's cause. Here they have an opportunity to develop their spiritual gift of singing, teaching and praying, here they catch the vision of Jesus and become better acquainted with Him and learn to trust and obey Him. To submit all the Sunday School is the only hope we have for the Church in the future.

The reason for this hope is the men and women who join the ranks of the Church were S. S. boys and girls. Only a small per cent. of the others ever become Church members. Does it pay to make a little sacrifice for S. S. work?

### ST. PATRICK'S DAY PARTY

The ladies of the Senior Class of the Mt. Joy High school gave a St. Patrick's Day party at the home of Miss Miriam Chandler last evening. The members of the class, Miss Herr, Miss Donovan, Prof. and Mrs. C. E. Roudabush and two children were present.

THIS NEW MEDICINE SAVES YOU MONEY

We are druggists right here in your town and make a living out of the drug business, but it is because people have to have drugs and not because we like to see people suffer—we don't. Our duty is to render the best service we can, and when someone is ailing, we are interested in seeing them take the best medicine there is for their particular trouble. We don't recommend "cure-alls," as we don't believe there are such things. We don't want you to spend more than you have to. Some of you get small wages, and when you're sick, none at all, and when you should get the most you can for your money.

We recently came across a new remedy for increasing strength and building up people who are run-down and emaciated. We know that a slight trouble sometimes grows into a serious one, and to stop it in the beginning, will save you money in the end. This new compound is called Rexall Olive Oil Emulsion. It is the best remedy, when you are run-down, tired out, nervous—no matter what the cause. It doesn't merely stimulate you and make you feel good for a few hours, but takes hold of the weakness and builds you up to a healthy, normal condition. It is a real nerve-food tonic and builder of good blood, strong muscles, good digestion. It contains hypophosphites, which tone the nerves, and pure Olive Oil, which nourishes the nerves, the blood, and the entire system. Pleasant to take. Contains no alcohol or habit-forming drugs. We promise that if you are not perfectly satisfied with it, we'll give back your money as soon as you tell us. Sold only at the 7,000 Rexall Stores, and in this town only by us. \$1.00—E. W. Garber, Mount Joy, Pa.

An interesting live bird shoot was held in ex-Burgess Hoffman's field, at the eastern border limits on Monday afternoon, when several local gunners participated. The shooting was for the purpose of giving Mr. P. S. Pyle, of Pittsburgh, a little practice for the big shoot at Milton yesterday. "Phil" shot at ten birds, losing his first and fifth birds, both being bad actors. Schroll shot at eight, getting six, one of which was out of bounds. Mr. John Pyle, father of the crack shot, shot two, as did also "Mushy" Good. They split even, as each killed one stray and Harry Hornafus one. Twenty-two birds were liberated and but one got away.

**A New White Hope**  
While Messrs. John Bowman and Harvey Sheaffer were engaged in a friendly boxing bout at a local club one evening last week, the latter sustained a cut above the eye that required stitching.

### ART EXHIBIT ON WEDNESDAY

Beautiful Carbons and Photogravures Will Be Shown Here

Recognizing the educational advantages to be derived from opportunities to see good art, the Mount Joy schools have arranged with the A. W. Elson Co. of Boston for an art exhibit of 200 pictures to be held in Mount Joy Hall next Wednesday, March 25.

This collection, consisting in large part of carbons and photogravures made directly from the original masterpieces, is selected by art experts and should attract large crowds of persons. A small admission will be charged the entire proceeds of which, after deducting the expense of the exhibit, will be used in the purchase of pictures or wall decoration and divided between the schools. The purpose of the exhibition is thus clearly twofold:

First—To give people an opportunity to see a collection of the world's famous masterpieces of painting, sculpture and architecture.

Second—To make it possible for the public to own a few of these pictures in the Library and schools.

Why should this exhibit interest you? Because, throughout the country, people are awakening to the importance and value of good art as creative of a refining influence and inspiring atmosphere—and just so surely as people become familiar with the best in art, just so quickly will the crude in art be displaced through appreciation of something better. It is, of course, idle to suppose that one shall become a competent judge of art simply through studying for a time photographs of prints.

**Great Opportunity**  
Bernhart's "Gigantic White Sale" has been a very great success, and no wonder when you are able to buy a good grade of flour at 26c and fine quality Muir Peaches at 8c a lb. and with an order of \$1.00 have given you free a 10c piece of Cuticle Soap, also 25 lbs. of best Granulated Sugar for \$1.00. Sometime ago the city papers commented on the low price on bread when one of our bakers sold bread for 3c a loaf. They will be able to comment on this sale as a means of lowering the high cost of living.

**A Fairly Good Sale**  
On Saturday Mr. Ed Ream held a horse sale at his stable here. The sale was exceptionally well attended. Twenty-two head of extra fine horses and mares were sold at fair prices. Mr. C. H. Zeller called the sale.
